Debunking 9/11 Conspiracy Theories and Controlled Demolition Myths

Conspiracy theories exist in the realm of myth, where imaginations run wild, fears trump facts, and evidence is ignored. As a superpower, the United States is often cast as a villain in these dramas.

You are sick, mentally sick, a “denier” of reality suffering from “emotional or mental illness”, an “oppositional defiant disorder” exhibiting a pattern of “negativistic, defiant, disobedient and hostile behavior toward authority figures” and therefore, also a **TERRORIST!**

“In international conflicts the truth is hard to come by, because most nations are deceived about themselves. Rationalizations and the incessant search for scapegoats, are the psychological cataracts that blind us to our sins. But the day has passed for our superficial patriotism. He who lives with untruth lives in spiritual slavery. Freedom is still the bonus we receive for knowing the truth. 'Yee shall know the truth', says Jesus, 'and the truth shall set you free.'” -- Martin Luther King Jr.

911 is a point of departure for me ... I see the deliberate hands of the American-Israeli intelligence agencies and/or "Second Founders" from deep within the American ruling elite in orchestrating this New Pearl Harbor. For a country that can sense what is deep within the bowels of the Earth and in the farthest reaches of the heavens, that seeks "full spectrum dominance" of air, land, sea, space, cyberspace, et. al. in its own military doctrines, and that publicly warns in its strategy documents that the only way for it to embark on this "imperial mobilization" is an increased military budget that can only come about in a "new pearl harbor", **9-11 has only one reality – self-inflicted.** --- [Chapter 2: Don't Ever Ask "Why is it possible to hate America"](#)

Project Humanbeingsfirst Ebook 9/11 9th Anniversary Edition contains all PHBF published reports and letters up to September 09, 2010. This self-contained Ebook includes Zahir Ebrahim's maiden book *Prisoners of the Cave 7th Anniversary Edition*. The 3400+ pages of the PDF have working URL links and are convenient for both offline study as well as selective hardcopy printing. The Ebook is built directly from Project Humanbeingsfirst websites.

These plebeian writings of a layman teach the profoundly *innocent of knowledge* how to comprehend the deception laden current affairs of our time without either getting deceived by the *Mighty Wurlitzer's* propaganda–psyops machinery, or, by one's own beliefs, world views, flag-wavings, and un-recognized prejudices. In other words, when one is not deliberately being a psychopathic *hectoring hegemon!*

As Martin Luther King Jr. had so soulfully iterated four decades earlier during the height of the Vietnam War: **"In international conflicts the truth is hard to come by, because most nations are deceived about themselves. Rationalizations and the incessant search for scapegoats, are the psychological cataracts that blind us to our sins. But the day has passed for our superficial patriotism. He who lives with untruth lives in spiritual slavery. Freedom is still the bonus we receive for knowing the truth. 'Ye shall know the truth', says Jesus, 'and the truth shall set you free.'"**

While Project Humanbeingsfirst's deconstruction of modernity is rooted in the empiricism of the cold realpolitik of *hegemony* and *statecraft* in the expectation that it will motivate the world's "useless eaters" to think in their own self-defense, that, these "untermensch" might come to see past their own self-inflicted "psychological cataracts" before fait accompli seals the outcome, it does not dispense advice. As always, one is not only responsible for one's own acts of conscience, but also for one's acts of moral cowardice, apathy, ignorance, silent spectating, and national suicide. Indeed, in Martin Luther King's echo of Dante: **"the hottest places in hell are reserved for those who in a period of moral crisis, maintain their neutrality."**

Please see [Welcome Letter](#) for a more thorough introduction to Project Humanbeingsfirst.org. Please download and save this free Ebook on your computer as these writings will likely disappear from the public

eye as foretold in George Orwell's "1984".

Has the world forgotten that the new President is presiding over America's own initiated World War IV which, as is continually reminded to the public, is intended to last for a lifetime and possibly longer? Is the Norwegian Nobel Committee imbecilic? Or is it under the influence of some bizarre psychotropically induced "hope" that President Barack Obama might end World War IV sooner than expected? That American bombs, and American sponsored destabilizations and balkanizations, while bringing peace, might kill fewer innocent civilians and destroy fewer nations than thought earlier? What's really going on here? The Manufacturing of a 'Savior'.

What is the point of this dialog analysis and all this verbage? The point is a matter of life and death for nations. That is the point of this. Let me be very precise. Either the United States, or Israel, are poised to attack Iran, as noted by many commentators in the World press,... **This is March 2007. I have two imperatives before me: A) I do not wish to hear in 2010 that there was an “intelligence failure”, that it was another Gulf of Tonkin, or some other new contrivance from the imaginative and fertile mind of the hectoring hegemons.**

When those on ground Zero in Palestine daily exhibit this courage in a stride of existentialism, their brethren elsewhere bring only shame to themselves in their empty sloganeering and empty chest-thumping which puts to risk not an iota of hair on their head, never mind their waging a struggle of any measure of efficacy. This captures almost 99% of Palestinians in Diaspora, the majority among them being anguished bystanders like the rest of the world, too relieved to be out of the hell hole, too caught up in their daily grind to do anything but weep in silence; and a vocal minority among that lot remaining ineffectual narrators of the works of “*history's actors*”. This aspect of assiduously studying the shit left behind by “*history's actors*” as the perfect Machiavelli, is explained here. [15] Among the tiny exception of the remaining one percent Palestinians in Diaspora – like their counterpart among the tiny handful of the Jews who attended Herzl's first Zionist Congress in Basel Switzerland harboring a new vision for their Lebensraum – at least some among them must surely rise to that challenge to daily assert to themselves: ***On this day I have reclaimed Palestine. If I were to proclaim it out loud, I'd be greeted with universal laughter. But in five years, surely in less than fifty, everyone will be able to return home. If only I knew how!***

Who in Pakistan has not heard of the famous fable of King Solomon the wise. When presented with two women feuding over a baby, each claiming to be the real mother, the king drew his mighty sword to cut the baby in half to give to each quarrelsome woman. One of them, the real mother, cried out: "***It's hers, it's hers, please give the entire beautiful baby to her, she is the real mother; I don't want half of the dead!***" Alas, on the face of it, not one among the rulers of Pakistan is the real mother of the Pakistani peoples. Was it foreseeable that Pakistan would be put on the chopping block of the war planners? Who is the real enemy responsible for waging World War IV? Is it the mosque, the mullah, the military, the militants, the politicians who turn on a dime, Israel, India, ISI, NATO, America, Islam, Judaism, Christianity, or god who has fated this dastardly destiny so that it can nicely bring about its promised messiah and show the good and wronged people how really mighty powerful and merciful it is so that they may all bow even lower in praise showing up their rear end even higher; who? **The Pakistan Decapitation Papers** examines that fact.

Justice is a delicacy best served cold - preferably in cold-blood!

The Curious Case of Dr. Aafia Siddiqui and Imperial Mobilization

- “Nothing is more certain in modern society than the principle that there are no absolutes, that a name, a phrases, a standard has meaning only when associated with the considerations which give birth to nomenclature. To those who would paralyze our Government in the face of impending threat by encasing it in a semantic strait-jacket, we must reply that all concepts are relative.” --

[Justice Vinson, U.S. Supreme Court, 1951 AD](#)

[Justice is a delicacy best served cold, preferably in cold-blood, in full service to the Hectoring Hegemons – just ask jurist doctor Rafia Zakaria, General Secretary, Board of Directors Amnesty International USA](#)

You have a right to ask: if the government is so concerned with [“Significant Developments in Terror Threats Since 9/11, Officials Say”](#), then, why must [“they persist in fighting it precisely in the same way to create more of it,”](#)?

Because: [“‘War on Terror’ is not about ‘Islamofascism’ – Please get with the real agenda you people!”](#)

But simple minds will choose to not understand this – that mantras alone can't efficiently enable *“imperial mobilization”*:

- Successful social engineering also requires actual defining acts of terror that can believably foster *“conditions of a sudden threat or challenge to the public's sense of domestic well-being”*, and cleanly separate time into a *“before”* and an *“after”*.
- [The New Pearl Harbor of 9/11](#) was necessary to shatter *“the public's sense of domestic well-being.”* It immediately accomplished that separation of time into epochs, and instantly cemented the long running mantra of the new boogiemán du jour, the *“The Roots of Muslim Rage.”* [Bernard Lewis](#) had planted that seed in the Council on Foreign Relations' Foreign Affairs magazine a full decade before 9/11, self-servingly concluding: *“It should now be clear that we are facing a mood and a movement far transcending the level of issues and policies and the governments that pursue them. This is no less than a clash of civilizations.”*
- As Hitler too had well understood, mantras must be backed by real acts of fabricated terror in

order to realize their full potential as effective [PROPAGANDA](#) which can mobilize a nation to do what they would normally not accept to do.

- And it also needs recruits, preferably young angry men and women whose *“Muslim Rage”* can be harvested, especially for suicide missions.
- The hectoring hegemons need that “empire’s justice” which has been juridically administered to the poor Pakistani scapegoat Dr. Aafia Siddiqui, so that it becomes more and more believable to blame future acts of fabricated terror on *“radicalized Muslims”*, *“home grown terrorists”*, *“Islamofascism” et. al.*, in order to continue to justify the on-going baby-step construction of domestic police-state.
- The entire world must be eventually governed as a global police-state because: *“World government could only be kept in being by force.”*
- To anyone with even half a brain, but one which is not entirely uncongenial to reflection, it must have been rather obvious from day-one that in the light of public revelations of the egregious circumstances of Dr. Aafia's bizarre capture and the subsequent orchestration of her show trial, any “justice” administered to Dr. Aafia Siddiqui would only be comparable to the proclamation of the Queen of Hearts in Alice in Wonderland: *“off with her head”*. It must also have been apparent to those inclined to perusing statecraft rather than watching television or reading newspapers for their knowledge of current affairs, that the show trial of Aafia Siddiqui was designed primarily to serve an agenda of the state. Namely, one of calculatingly exercising the *“high degree of doctrinal motivation, intellectual commitment, and patriotic gratification”* deemed necessary for a *“sustained exercise abroad of genuinely imperial power.”* A careful reading of Zbigniew Brzezinski's The Grand Chessboard makes the political science and the various mantras behind *“imperial mobilization”* abundantly clear. [The Only Truth About US Justice is that Justice is in the Service of Empire!](#)

“It's all in the wrist”, said Kamal Khan in Roger Moore's 007 Octopussy, as he proceeded to put the wool over his simpleton victims eyes while taking him to the cleaners. But James Bond wasn't living in the fool's paradise of *“the crowd of the simpletons and the credulous.”*

So What Is REAL JUSTICE - Not in Newspeak but in Realitiespeak?

Zahir Ebrahim Responds to Rafia Zakaria's and Amnesty International's Call for 'prosecution of Taliban leaders for war crimes'

Preamble

The following letter is Project Humanbeingsfirst's overly polite August 11, 2010 response to jurist doctor [Rafia Zakaria J.D.](#), General Secretary, Board of Directors Amnesty International USA, on her enacting absurdities upon absurdities in the service of empire – and against her own peoples in Pakistan and the United States.

This latest round is as the General Secretary at Amnesty International, charging the fabricated enemy for war crimes against humanity right out of [George Orwell's recipe](#) for convincing a people to continue fighting and dying in the perpetual war against the *dark murdering armies of Eurasia*, without even mentioning the Hectoring Hegemons who militarily invaded other nations and are routinely committing war crimes while [admitting it publicly!](#) Her previous round at foisting imperial absurdities upon the plebes among mankind as the empire's "[House Negro](#)" was examined in [Letter to Editor: The politics of](#)

['Reinventing the Taliban' goes through a core-lie! April 07, 2010.](#)

Can Rafia Zakaria J.D., also a candidate for Ph.D. in political science, be so *innocent of knowledge* like the rest of the tens of millions of mainstream Americans who were easily misled into “United We Stand” with their hectoring hegemons? Can she really be so *Newspeak* blind to the distemper of hegemony as a jurist and political scientist, so damn innocent in the ways of Machiavelli and her own field of study? On the path to imperial glory, did she become so averse to the pain and suffering of the 'untermenschen' in Iraq and Afghanistan that she cannot see what the United States has done to those poor defenseless nations for its **“imperial mobilization”**? Or, does she rightly know which side her bread, accolades, appointments, and lucrative career is buttered?

The inescapable conclusion, at least for those not sitting on the fence, is that only such *uber learned peoples* shamelessly groveling for fame and fortunes at the feet of the “massa” are congenially appointed to the various prestigious Board of Directors of empire's own instruments of [social engineering](#). Like Daniel Pipes was once appointed to head the Institute for Peace by President George W. Bush. The difference though being that both the latter are among the “massa” themselves, laboriously carrying the **“white man's burden”** to the 'untermensch' as their **“la mission civilisatrice”**, to benevolently give to the barbarians a more civilized **“moderate Islam”** instead of their abhorrent **“militant Islam”** which [attacked America on 9/11](#). It is understandable that the ruling elite would engage in such *Newspeak* based on their overarching agenda to subvert their own democracy which, in the absence of **“conditions of a sudden threat or challenge to the public's sense of domestic well-being”**, remains **“inimical to imperial mobilization”**. For immigrants from the land of the 'untermensch' to echo the hectoring hegemons' message, is akin to joining them in their mission as the **“merchants of aggression.”**

[Watch](#) the following merchants of aggression, despite their hubris and their *Newspeak*, eventually take their **“final plunge in ignominy”** in another epoch as the victors vociferously claimed the objectivity of their justice: **“they are crimes whether the United States does them or whether Germany does them”**! Changing epochs does not change the nature of the crimes of aggression which constitutes the **“supreme international crime differing only from other war crimes in that it contains within itself the accumulated evil of the whole”**.

If the Taliban are guilty of war crimes, then, by the very definition of war crimes, those who invaded their nation are far more guilty of a more heinous crime, one which contains within itself the accumulated evil of the whole!

But of course, no hectoring hegemon and their associate chanting the various [Mighty Wurlitzer](#) tunes, at the peak of their hubris can ever think of themselves suffering that day of ignominy – as is amply evidenced in the following statement of the United States' own Supreme Court Justice in [1951](#), right after the victor's justice had been juridically administered with [great fanfare](#) to the vanquished at Nuremberg:

“Nothing is more certain in modern society than the principle that there are no absolutes, that a name, a phrases, a standard has meaning only when associated with the considerations which give birth to nomenclature. To those who would paralyze our Government in the face of impending threat by encasing it in a semantic strait-jacket, we must reply that all concepts are relative.”

Victor or victim, all in the world must know and be continually reminded of, that baboons wear no clothes even when they may steal the white man's sunglasses to look cool. Today, the baboons, white, brown, black and stripped, have stolen some clothes to pass themselves off as hominids concerned with the plight of their victims. They come to you weeping at the funeral demanding justice after having killed off your family. And they come to you as the **“peace makers”** after creating the most mayhem on earth! While the baboons may try to lie to themselves in the mirror, we know what they are. So I can at least agree with Rafia Zakaria and the Amnesty International on their profound conclusion, if not their analysis, that ***“Unless the international community takes a stand on this issue, Afghan civilians will continue to believe that they will be abandoned by the world and left to endure another regime of barbarism.”***

And Real Pursuit of Justice?

[Open Letter to Francis Boyle, the Moral Law Professor, on the Ignored Iraqi & Afghani Victims of Imperial Mobilization](#)

Date: January 31, 2010

Subject Re: [International Criminal Court Complaint Filed Against Bush, Cheney, Rumsfeld, Tenet, Rice, Gonzales By Prof. Francis A. Boyle](#)

Dear Dr. Francis Boyle:

In reference to your complaint filed with the ICC against the previous errand-boys who occupied the White House, would it be rude to notice that the higher order bits of using 911 to *“goosestep the herrenvolk across international frontiers”* ; the subsequent *“shock and awe”* visitations upon largely civilian population-centers and civilian infrastructures ; the decimation of millions of Iraqis/Afghanis ; subverting of the United States into a pre-planned police-state ; fabricating crises upon crises to propose pre-planned solutions in order to systematically usurp national sovereignty as per the diabolical modus operandi set by the Council on Foreign Relations in their

own documents: ***“In short, the ‘house of world order’ will have to be built from the bottom up, rather than from the top down. It will look like a great ‘booming, buzzing confusion’ to use William James’ famous description of reality, but an end run around national sovereignty, eroding it piece by piece will accomplish much more than the old-fashioned frontal assault.”*** – have all been overlooked to pursue the relatively lower order crimes of *“extraordinary rendition”* upon a few individuals with the highly dubious statement: *“I doubt very seriously that the Accused would have inflicted these criminal practices upon 100 White Judeo-Christian men.”*?

We only wish there was one decent 'Christian' man or woman alive in the hallways and beltways of Western academe and among the legal fraternity who might even attempt to capture the angst of the tens of millions of Iraqis/Afghanis still barely alive and who still await someone who will file legal charges against the monumental crimes that have been perpetrated upon them and their millions of murdered kin.

We fervently hope that you, Professor Francis Boyle, might be such a person. That you will file pertinent charges in the ICC, for both culpability and restitution, on behalf of the untold millions already dead in Iraq and Afghanistan, many more suffering with their entire national fabric, ancient heritage, and even their DNA despoiled in a crime so stupendous that ***“it is a mystery whose parallel may only be the one of Sinai when something was revealed to mankind.”***

For surely, it is inconceivable that you make complete obeisance to Western standards of morality by focussing on this lower order crime in the presence of un-addressed higher order monumental crimes – a morality which brazenly asserts from the highest pulpit of law in this land of the free:

“Nothing is more certain in modern society than the principle that there are no absolutes, that a name, a phrases, a standard has meaning only when associated with the considerations which give birth to nomenclature. To those who would paralyze our Government in the face of impending threat by encasing it in a semantic strait-jacket, we must reply that all concepts are relative.” -- [Justice Vinson, U.S. Supreme Court, 1951 AD](#)

And as you venture to focus on the higher order real monumental crimes against humanity, we hope you will not remain content by focussing merely on the errand boys. That you will see the connections between the quest for [“Global Governance”](#), fabricated crises from [pandemics](#) to [global warming](#), the seeding of *“revolutionary times”* across the *“global zone of percolating violence”* to make [“imperial mobilization”](#) possible which otherwise is *“inconceivable in normal times”*, and the [“history’s actors”](#) who drive war-mongering policies and orchestrate wretched events from their Zion in the Middle East to their Zion in the Western capitals, not the least of which is Washington DC, in the expectation of creating the ultimate [“Zion that will light up all the world”](#).

And that, as you pursue the highest order crimes, you will not shy away from going directly for the jugular of the prime-movers behind the scenes of all the war-mongering 'errand boys' fronting for them in the Western capitals as the duly elected representatives of a duped Western peoples, including those presently occupying the White House. This was, lamentably enough, already pleaded to no avail in the following editorial when your lonely fraternal brother, Mr. Vincent Bugliosi, courageously asserted that [“Murder Trumps Torture”](#), but inexplicably

failed to also simultaneously assert the legal and moral commonsense that prime-movers trump trigger-pullers:

[Who is more guilty of monumental war crimes - the prime-movers or trigger pullers? April 09, 2009.](#)

Attempted prosecution of state-criminals on '[petty charges](#)' without also prosecuting their criminal aiders and abettors who 'legalize' and propagandistically justify their brazen acts of aggression, and therefore are entirely culpable in toto for **“all the evil which follows”**; staying silent on punitive as well restitutive compensation for their victims, is a legal sham that is only waiting to be torn down by some courageous people. We hope, Dr. Francis Boyle, that you might be one such precedent setting spark which ignites the moral imagination of many to follow. The world has had enough from the dispensers of victor's justice!

Thank you.

Addendum February 02, 2010

In. Ref To: [Bush To The Hague! The Hague Acknowledges Francis Boyle On His Filing Against Bush et al For War-Crime: Extraordinary Rendition](#)

Additionally, in principle, Project Humanbeingsfirst.org supports all effective measures which attempt to bring the entire hierarchy of monumental criminals to fair justice. As is often the case with victor's justice however, and with those in the victor civilizations pursuing their notion of justice against the criminals in their own midst, the big picture is being silently swept aside in the **“Bush To The Hague!”** Campaign. That moral campaign should rightly be “Bush-Obama-Congress-Foundations-Banksters To The Hague” Campaign. And a similarly appropriate one waged in the UK and the EU.

It is not sufficient, in the view of Project Humanbeingsfirst, to pursue lower order crimes and charge the lower-order errand boys for these crimes, while staying eloquently silent on the most significant crimes and neglecting to seek restitution/compensation/punitive-damages for the most significant of its victims! While the old errand boys out of power are being pursued with vigor, a new crop of errand boys are already in-charge committing new monumental crimes without inhibition. What rational commonsense does this make? Are we to presume that morality in modernity is inversely proportional to rationality and commonsense? That millions of 'untermensch' victims are to simply remain nameless and faceless statistics to build careers and glossy prize-winning narratives on? We certainly hope not!

To put efficacy into the matter of stopping crimes against humanity before they transpire rather than lament in futility afterwards with vacuous pledges of 'never again' with Public Relations show trials and new museums, the

perpetual prime-movers of wars pushing their insidious multifaceted agendas behind the turbulence of wars have to be neutered. Their enormous power and influence stemming from their infinite wealth that is legally sanctioned to them by the law makers who represent them in governance, terminated. Where is the precedent for that being set?

It wasn't even set at the Nuremberg Military Tribunals when Dr. Hjalmar Schacht, the former governor of the Reich Bank – the bankster who orchestrated the financing for Hitler's war-machine with funding from Wall Street and the City of London financiers – went scot-free! Just that tiny point of incontrovertible fact proves the truth of this open letter and demonstrates the enormous power of the prime-movers which is being swept under the rug by focussing on their errand boys. These errand boys are untouchable so long as their godfathers protect them, except when made dispensable and administered the victor's justice as at the Nuremberg Trials.

We hope this minor oversight will be rectified.

9/11 and Imperial Mobilization Redux

9/11 HOT

Prisoners of the Cave – Deception Point 911 And Its Greatest Democratic Enablers

“911 is a point of departure for me ... I see the deliberate hands of the American-Israeli intelligence agencies and/or **“Second Foundationers”** from deep within the American ruling elite in orchestrating this **New Pearl Harbor**. For a country that can sense what is deep within the bowels of the Earth and in the farthest reaches of the heavens, that seeks **“full spectrum dominance”** of air, land, sea, space, cyberspace, et. al. in its own military doctrines, and that publicly warns in its strategy documents that the only way for it to embark on this **“imperial mobilization”** is an increased military budget that can only come about in a **“new pearl harbor”**, 9-11 has only one reality – self-inflicted. --- [Chapter 2: Don't Ever Ask “Why is it possible to hate America” *Prisoners of the Cave*](#)

“I am betting that when knowledge of the crime of the emperor comes to them, and their complicity in it is realized by them, that like Lady Macbeth, the American public will be torn by their good conscience, that they will be as unable to remain **“innocent of knowledge”** as Lady Macbeth, and will endeavor to right the wrongs done in their name by their successive governments. As Arundhati Roy put it in a speech: **“Yours is by no means a great nation – but you could be a great people – history is giving you the chance – seize the time.”** I am betting that the conscience of its own people will prove to be the real fifth column in the United States of America. Perhaps somewhat idealistic, but it is precisely ideals that seem to be lacking in the collective wisdom of this nation, where mostly everything is viewed from the distorted prism of the pragmatic, the expeditious, the instantly gratifying, and the **“might makes right”** imperial sight. Its injection into the American polity cannot be a bad thing. I don't expect everyone to necessarily agree with my work, the point of it being not to make you agree with me, but to motivate you into examining your invisible chains in the hope that if you earnestly look for them, you will likely find them. --- [Postscript *Prisoners of the Cave*](#)

[The world pleads: “God save us from American peace and liberty”](#)

“ This irrational behavior is only possible because we, the citizens of the nation, permit it. It is no longer a question of controlling a military-industrial complex, but rather, of keeping the United States from becoming a totally military culture. --- [The United States: A militarized society, Jerome B. Wiesner, president emeritus MIT, Bulletin of the Atomic Scientists, Aug 1985, pg. 104](#)

And just as his predecessors did, [President OBAMA too reiterates who the enemy is](#), even threatening the public to not question America's official sacred story of who the enemy is, and cleverly lumping “**questioning 9/11**” with “**justifying 9/11**”

“I am aware that there is still some who would question, or even justify the offense of 911.

But let us be clear. Al Qaeeda killed nearly 3000 people on that day. The victims were innocent men, women, and children from America and many other nations who had done nothing to harm anybody.

And yet Al Qaeeda chose to ruthlessly murder these people, claimed credit for the attack, and even now states their determination to kill on a massive scale.

They have affiliates in many countries, to try to expand their reach.

These are not opinions to be debated. These are facts to be dealt with.

[Okay, Mr. President! But can you also inform us how did “Al-Qaeeda” cause this third WTC building demolition on 9/11?](#)

[Footage of WTC 7 destruction showing its Penthouse Collapse before the building's symmetric and catastrophic demolition into its own footprint](#)

And how did “Al-Qaeeda” cause this WTC explosion?

Does the pulverized WTC tower into such a fine dust debris look like a *Gravity Collapse* of millions of tons of steel and concrete due to fire to you?

And, by the verdict of your own logic of 3000 innocent victims killed by “Al-Qaeeda” on 9/11, **what of the several million INNOCENT CIVILIAN VICTIMS** barbarically murdered by the United States in Afghanistan and Iraq in [retaliation for 9/11?](#)

“We have shot an amazing number of people, but to my knowledge, none has ever proven to be a threat, --- [Gen. Stanley A. McChrystal, New York Times, March 26, 2010](#)

“all murderers are punished unless they kill in large numbers and to the sound of trumpets. --- [Voltaire, Welcome Letter](#)

[Until of course, Victor's Justice catches up to the “apostles of death and hate”](#)

“ – we are not prepared to lay down a rule of criminal conduct against others which we would not be willing to have invoked against us. --- [U.S. Justice Robert H. Jackson, formulating the finer points of law as moral absolutes for administering victor's justice at Nuremberg, Minutes of Conference Session of July 23, 1945, International Conference on Military Trials : London, 1945](#)

“ – the only conceivable end for these merchants of aggression, and as they plunged the world into a blood bath, it is fitting that they take their final plunge in ignominy! --- [Universal Newsreels: 21 Nazi Chiefs Guilty, Nuremberg Trials 1946/10/8](#)

[Watch](#)

[But until then, 2 + 2 is always 5 whenever OCEANIA is at perpetual war with the dark murdering armies of EURASIA – watch modernity scripted in George Orwell's movie “1984” below](#)

“To those who would paralyze our Government in the face of impending threat by encasing it in a semantic strait-jacket, we must reply that all concepts are relative. --- [Justice Vinson, U.S. Supreme Court, 1951, re-formulating the finer points of law in Newspeak, Justice in the Service of Empire](#)

“Those who can make you believe absurdities, can make you commit atrocities --- [Voltaire, The Enduring Power of Machiavellian Political Science](#)

And as the sighted can already see, like the “**Big Brother**” of **OCEANIA**, the rulers of United States of America using their own Newspeak and the savagery of fabricated wars against “barbarians”, transformed their own nation into a Police State while its indoctrinated masses, its pathetic “House Negroes” and immigrant “Uncle Toms”, [insanely cheered](#) “**United We Stand**” against [Islamofascism](#).

[America's own prominent Judge, Andrew Napolitano, belatedly lamented the loss of Natural-Rights of the American peoples to The Patriot-Act](#)

Of course, also only the sighted will ever see that from President George W. Bush to President Barack Obama --- [More faces changed, more they remained the same!](#)

“The system is not only broken, it was crippled at birth – for it is so easily hijackable – from Wounded Knee to Iran, with new “Pearl Harbors” cleverly used for “imperial mobilization” from the USS Maine to 911 to the new nookular '911' that President Bush keeps warning the Americans and the world about in these ominous words as late as February 13, 2008: ***“Good morning [America]. At this moment, somewhere in the world, terrorists are planning new attacks on our country. Their goal is to bring destruction to our shores that will make September the 11th pale by comparison.”*** It is one continuous predatory imperative, from the **Truman Doctrine**, to the **Carter Doctrine**, to the **Reagan Doctrine**, and now to the **Bush Doctrine**. What did impeachment of Richard Nixon ever accomplish or deter, never mind restore to America's millions of untold and unaccounted victims in Asia and South America? --- [How to derail “imperial mobilization” and preempt the crossing of the Nuclear Rubicon](#)

“What is the point of this analysis and all this verbage? The point is a matter of life and death for nations. That is the point of this. Let me be very precise. **Either the United States, or Israel, are poised to attack Iran**, as noted by many commentators in the World press,... **This is March 2007. I have two imperatives before me: A) I do not wish to hear in 2010 that there was an “intelligence failure”, that it was another Gulf of Tonkin, or some other new contrivance from the imaginative and fertile mind of the**

hectoring hegemons. --- [Dialog Among Civilizations – Whytalksfail When the Hectoring Hegemons Are Running It And What To Do About It](#)

Since the doctrines of aggression variously couched in Newspeak have remained the same despite the changing presidential faces in the White House, the **AMERICAN PUBLIC'S REALPOLITIK** to bravely extract their nation from the jaws of **Big Brother's Fourth Reich** also remains the [same](#):

1) Firstly, anything, including all 'nuclear terrorist acts' on American soil, or anywhere in the world, all shocking revelations by whistleblowers, all leaks in newspapers, and all phantasmal mantras that distract from the afore-stated goal, regardless of how compelling the reasons, must be treated by the unwary and gullible American public and its intellectual dissenting-chiefs, as red herrings, pretexts, and deceptions for premeditated “imperial mobilization” by their nation's rulers.

2) Secondly, if there is reason for the United States to nuclear decimate any country or any peoples in purported 'self-defense', the American peoples must demand a ratification of the decision to go to war through a public referendum – let its great “populist democracy” speak directly in the modernity of the 21st century before it is called upon to make its sacrifices, before it is called upon to pay its taxes to fund the war, and before it is called upon to acquire innocent blood on its hands!

3) Thirdly, draw the soldiers, officers and war-technicians from the pool who vote for war! If they can vote yes to invade other nations and wantonly shatter the tabula rasa of a 'lesser humanity', then they must also first be willing to sign up for doing it themselves – instead of having a draft of economic conscription. Every 'yes' voting home in America must have at least one 'patriot' from the immediate family show up on the front-lines without exception – or their 'yes' vote is void!

(CNN) -- In protest of what it calls a religion “of the devil,” a nondenominational church in Gainesville, Florida, plans to host an “International Burn a Quran Day” on the ninth anniversary of the September 11, 2001, attacks. The Dove World Outreach Center says it is hosting the event to remember 9/11 victims and take a stand against Islam. With promotions on its website and Facebook page, it invites Christians to burn the Muslim holy book at the church from 6 p.m. to 9 p.m.

“We believe that Islam is of the devil, that it's causing billions of people to go to hell, it is a deceptive religion, it is a violent religion and that is proven many, many times,” Pastor Terry Jones told CNN's Rick Sanchez earlier this week.

Jones wrote a book titled “Islam is of the Devil,” and the church sells coffee mugs and shirts featuring the phrase.

“I mean ask yourself, have you ever really seen a really happy Muslim? As they're on the way to Mecca? As they gather together in the mosque on the floor? Does it look like a real religion of joy?” Jones asks in one of his YouTube posts.

“No, to me it looks like a religion of the devil.”

“In Islam, many actions that we consider to be crimes are encouraged, condoned or sheltered under Islamic teaching and practice, though. Another reason to burn a Quran.”

Thank you very much!

But like the Nazi philosopher and his war-mongering Third Reich's machinery before them, ***“the only conceivable end for these [Fourth Reich's] merchants of aggression, and as they plunged the world into a blood bath, it is fitting that they take their final plunge in ignominy [someday]!”***

The Ruse of Whistleblowing to Justify Axioms of Imperial Mobilization

The core-lies retained in the recent Wikileaks' disclosure – which I call 'the Afghanistan Papers' – is to once again reaffirm that there is a real nemesis called “Osama Bin Laden”, that the “war on terror” is real, that it is being inflicted upon the West from Pakistan-Iran nexus, and to re-substantiate the handoff of former President George W. Bush's clairvoyance to the Obama Administration that ***“If another September 11 style attack is being***

planned, it probably is being plotted in Pakistan, and not Afghanistan! That, when such a “planned” attack transpires, it ***“will make Sept. 11 pale by comparison”***. See: [‘Bin Laden’: Key enabler of “imperial mobilization” and nuclear attack on Iran-Pakistan](#).

The successful handoff of “*imperial mobilization*” to Pakistan and Iran, now further sprightly underscored by Wikileaks' documents, is once again demonstrated by President Obama's Secretary of State Hilary Clinton's recent remark to the BBC: ***“But there is no doubt in anyone's mind that should an attack against the United States be traced to be Pakistani, it would (have) a very devastating impact on our relationship”***.

So, could these self-serving ‘**Afghanistan Papers**’ have been any more convenient as a casus belli, carrying forth the same core-lies now entering its tenth year? If Wikileaks' dramatization grabbing all the world's headlines isn't an officially sponsored '**modified limited hangout**' for exactly that purpose of reinforcing the core-lies, ...

The profoundly *innocent of knowledge*, especially the manufacturers of specious dissent endorsing the revelation of the '**Afghanistan Papers**' as anything other than a '**Limited Hangout**', may try to comprehend the wily craftsmanship of the [Mighty Wurlitzer](#) by studying this deconstruction of [Conspiracy Theory](#).

Whereas, the poor monetary reformer fighting the fabricated financial crisis, already the underdog and resourceless in going against an entrenched financial oligarchy with infinitely deep pockets, is also outwitted by the sheer magnitude of the Hegelian design for Global Governance. The momentum created by the disparate crises spanning the gamut of global financial meltdown, global warming, global pandemic, global war on terror, is insurmountable enough. It will be the coup de grace for bringing the fractious humanity finally together in one-world government

“if suddenly there was a threat to this world from some other species from another planet.” As President Ronald Reagan had read out loud from his script at the United Nations podium in 1987: “we often forget how much unites all the members of humanity. Perhaps we need some outside universal threat to make us recognize this common bond. I occasionally think how quickly our differences worldwide would vanish if we were facing an alien threat from outside this world”:

Dear Lord Rothschild,

I have much pleasure in conveying to you, on behalf of His Majesty's Government, the following declaration of sympathy with Jewish Zionist aspirations which has been submitted to, and approved by, the Cabinet

"His Majesty's Government view with favour the establishment in Palestine of a national home for the Jewish people, and will use their best endeavours to facilitate the achievement of this object, it being clearly understood that nothing shall be done which may prejudice the civil and religious rights of existing non-Jewish communities in Palestine, or the rights and political status enjoyed by Jews in any other country"

I should be grateful if you would bring this declaration to the knowledge of the Zionist Federation.

Y. in
Arthur Balfour

[Why is the Balfour Declaration addressed to a Rothschild?]

[**Why is Israel's Supreme Court in Jerusalem built by the Rothschilds?]**

Why does that slither of land, called Israel, and I have driven around it, and you can virtually drive around it in a day, why does it have so much power?

Why is it the biggest by far recipient of American aid when it is one of the richest per capita countries in the world?

Why does it have the biggest F-16 fleet outside America?

How come it can have a very considerable arsenal of nuclear weapons, refuse to sign a Non Proliferation Treaty, and have a breadth taking agreement which has just been confirmed by Barrack Obama in the last few months, that they have a policy in terms of America and other countries in Israel, that they don't ask whether they have got nuclear weapons. And therefore, Israel does not have to say if they have or not. This is an official policy!

Why, when they pepper-bomb the most crowded piece of land in the world, and instigate slaughter on a shocking scale, does the international community, apart from one or two people, say nothing?

[**<http://print-humanbeingsfirst.blogspot.com/2008/05/celebrating-israels-60th-birthday.html>]**

Simple.

The House of Rothschild controls Israel. It created Israel. And more than that, it created a political philosophy, note a POLITICAL PHILOSOPHY, called ZIONISM.

[**<http://print-humanbeingsfirst.blogspot.com/2009/02/letterto-dalitvoice-which-god.html>]**

What they have brilliantly done, though it's breaking down, is they have equated Jewish people as a race with Zionism, which is a political philosophy. And at its core is a secret society, connects into the other secret societies.

And, so if you challenge Zionism, and its horrors, and its impositions, and its hypocrisy, and its slaughter, you are equated with being prejudiced against Jewish people.

What they don't tell you is significant number of Jewish people are actually appalled by Zionism. And

actually openly protest against it.

[<http://print-humanbeingsfirst.blogspot.com/2009/11/genesis-to-genocide-golem-not-jewish.html>]

And there is some fantastic young people in Israel that refuse to serve in the military, and end up in jail because of it. And you, know they are incredible people to have that sense of value.

The questions that I have just posed can be answered very easily.

[<http://print-humanbeingsfirst.blogspot.com/2009/10/respto-what-cost-israel-lobby-jeffgates.html>]

The House of Rothschild control American politics. They control the neo-cons, they control Bush, they control what I call the demo-cons that control Obama.

[<http://humanbeingsfirst.blogspot.com/2008/10/not-voting-is-yes-vote-to-reject-system.html>]

And in the White House as I speak, we have the White House Chief of Staff, Rahm Emanuel, who is the puppeteer, immediate puppeteer of Obama, [Just like Bush's Brain was Karl Rove] and his father actually served in an Israeli Zionist terror group called Irgun, which, with others, bombed Israel into existence and forced 750,000 to 800,000 Palestinians to leave their homeland after 1948.

The reason, therefore, that Israel is the biggest recipient of American aid and military support, is because this hand [points to right hand] called the House of Rothschild, takes the money from the United States and hands it to this hand [points to left hand] called Israel of the House of Rothschild, and says thank you very much!

The reason that there is no questioning of Israeli nuclear capability, that they get away literally with mass murder, time and time again, is because the House of Rothschild controls the countries of the European Union, and controls the European Union. I mean, Tony Blair is a "yes sir no sir, three bags full sir, how high would you like me to jump sir" front man for the House of Rothschild.

[<http://print-humanbeingsfirst.blogspot.com/2009/11/rescuing-thestruggle-for-palestine.html>]

So who do they put in after he left the British Government, as negotiator of peace in Israel - Tony Bloody Blair! 'What should I say Mr. Rothschild, thank you very much, thank you thank you' [mimics Tony Blair]. That's it.

So when you have got the same force controlling all these different agencies, than of course they are gonna be coordinated.

That's the way Israel gets away with what it gets away with.

And if people think its anti-Semitic, well actually anti-Semitic means anti-Arab by the way, then they'll have to take it and shove it somewhere where the sun don't shine 'cause I ain't shutting up about this because it is fundamental to understanding the world, and to understanding the European Union and world events!

The Jewish people, in general, have been mercilessly used by the House of Rothschild, and their front secret society, satanic secret society, called Zionism, as a front which they can hide behind.

[<http://print-humanbeingsfirst.blogspot.com/2009/09/is-zionism-hegelian-dialectic.html>]

So it is House of Rothschild organizations like B'nai Brith, Sons of the Covenant, who created an organization called the Anti-Defamation league, which goes around defaming everyone ironically, who have not just campaigned for hate laws that stop you exposing these people, they have actually written the bloody legislation in America, in North America and Canada.

And so, these hate laws which say you can't say this you can't say that, because that's prejudiced and all that, they are not there to protect gay people - everyone ought to their own I say, I couldn't care less - they are not there to protect Jewish people, or minorities.

They are there, simply, to stop legitimate investigation of the Rothschilds and its network. That's what they are there for.

[<http://print-humanbeingsfirst.blogspot.com/2009/10/respto-what-cost-israel-lobby-jeffgates.html>]

And, they are in so many ways the Rothschilds. At operational level, the center of the spider's web.

And they need to be exposed.

[**'Therefore, focussing on Jewish political action groups like AIPAC, ADL, JDL, Chabad Lubavitch Hasidics, et. al., who put Israel first to influence the superpower's policies, or the hundred Jewish-**

dominated opaquely funded private think-tanks like the AEI, CFR, et. al., who ab initio construct the polices of war and hegemony favoring Israel, without betraying any comprehension of the actual prime-movers behind them, is not only an exercise in futility, but these visible magnets are deliberately there, and manifest themselves with their inexplicable arrogance, precisely in order to draw fire away from the prime-movers!' -- <http://print-humanbeingsfirst.blogspot.com/2010/05/palestine-theway-forward.html>]

Because if they get exposed, and they go, when I say go [I mean] they are removed from their positions of power, 'cause to be honest, if they went to jail, for what they have been responsible for, the House of Rothschild, they would have to reincarnate hundreds of times to complete the sentence!

['If fair punishments are ever to be awarded for their crimes against humanity for just the past 100 years in any Just court of law, Adolph Eichmann would have to be retroactively let go by resurrecting his soul from his grave with high honors and awarded multiple peace prizes plus compensation, in order to administer hanging and extraction of restitution as the graduated scale of ultimate punishment for the ultimate prime-movers of all wars and pestilence before which their errand boys' and patsies' crimes against humanity pale in comparison.' -- <http://print-humanbeingsfirst.blogspot.com/2009/11/rescuing-thestruggle-for-palestine.html>]

And, we've ignored them. Or we have not ignored them, people have ignored their power for long enough because they have brilliantly hidden it. It needs the light to be shone on it because when they come down, in so many ways, the House of cards comes down!

[<http://print-humanbeingsfirst.blogspot.com/2010/04/resp-abusitta-rothschild-not-zabara.html>]

Thank you very much.'

From Genesis to Genocide in Palestine

'I am Anna Baltzer.

My first reaction when I heard these things by the way was complete disbelief.

I thought there is no way, there is no way that Israel is anything different from what I believe it to be, and what I know it to be.

When I met people who told me anything different, I thought well these are perfectly nice people, but they have been brain washed. They have been told propoganda. And I set out to sort of try and prove them wrong. To show them that I knew what I was talking about.

And as soon as I began to do some research, I realized very quickly that I was the one who is missing a lot of information on this issue.

And not knowing sort of who to believe anymore, decided to go there and see with my own two eyes what was happening in Palestine.

So that's what I travel around the country telling people about is what I found there.

I hope I can offer people a combination of sort of some of the basics of what's going on there, and then also some ways of going a little bit deeper into the history, and most importantly, where we can go from here.

I like like to start out by clarifying a few different categories that can be very confusing to people in addressing this issue.

I'd like to distinguish between what it means to be Jewish: so I am Jewish what does that mean.

Somebody who is Jewish is somebody either of the Jewish religion, obviously, or the Jewish lineage. My mother is Jewish, her mother is Jewish, etceteras. It's a bloodline.

And that to be Jewish is different from what it means to be Israeli: an Israeli is a citizenship, and Israeli is a citizen of the state of Israel.

And that to be Israeli is different from what it means to be a Zionist: Zionism is the political ideology that supports the idea of a Jewish state in historic Palestine, sometimes no matter what that means in reality, and no matter what it does.

Anyway, these are different categories, Jewish, Israeli, Zionist.

And sometimes they overlap in the same person, but they are not the same thing.

There are Jews who are not Israeli, like myself.

There are Israelis who aren't Jewish, about 25, about 20 percent of the Israeli population is Palestinian.

There are Jews who are anti-Zionist, who say this land should be for anybody who's been living there for generations regardless of what their religion or their ethnicity is.

And then there are Zionists who aren't Jewish. The increasingly influential Christian Zionist movement, largely based in this country that talks about fueling this conflict to bring about the Armageddon, the

return of the Messiah. Again, not at all pro-Jewish, right? You know what happens to Jews in the Armageddon is not about preserving Judeism, it is Zionism.

So we see this distinction and it's very important that we see that distinction and that we express it when we are talking about this issue.

First of all, because there is no reason to associate anything that Israel is doing in terms of occupation, oppression, segregation, things that were pretty sobering that I found when I was over there. These things have nothing to do with Judeism.

And likewise, to speak out when we see people's rights being violated is not anti-Jewish.

It's not anti-Semitic. In fact, it's in line with the tradition of social justice that has been the pride of Jewish people as well as many other communities for a very long time.

So I wanna start out with that, especially because I know that people talking about this issue are often, sort of, these names are called at you, and it's absolutely absurd.

There is nothing Jewish about what Israel's doing, nothing anti-Jewish about speaking out when we see it happening.' --- Transcription by Project Humanbeingsfirst.org

Map of Occupation Palestinian Lands

The Real Challenge: Preamble

CBS 60 Minutes: "Is that tax money that the Fed is spending?"

Ben Bernanke: "It's not tax money. The banks have accounts with the Fed much the same way that you have an account in a commercial bank. So to lend to a bank, we simply use the computer to mark up the size of the account they have with the Fed. So it's much more akin, although not exactly the same, but it's much more akin to printing money than it is to borrowing."

CBS 60 Minutes: "You've been printing money?"

Ben Bernanke: "Well effectively, and we need to do that because our economy is very weak, and inflation is very low. When the economy begins to recover, that'll be the time we need to unwind those programs, raise interest rates, reduce the money supply, and make sure that we have a recovery that does not involve inflation."

--- **Question to monetary reformers:** how many falsehoods are in Ben Bernanke's utterance above?

--- **Question to the public:** wouldn't it be great if the public too can get to have monopoly money magically appear in our bank accounts every once in a while, like the banks do? What powers of persuasion do you think the Fed wield upon the government that they can make counterfeit money – just printing it whenever they want – and it magically becomes legal tender? But you and I can't print our own money whenever we want without going to jail for 100 years? [How did that happen?](#) How are such [skilled powers of persuasion of the banksters](#) to be effectively countered?

--- **Reality check:** Is there even any point to all this talk of monetary reform when absolutely no one among the

who's who of reform will speak to the real issues of power that actually prevents all reform? The monetary reform agenda today is largely an academic conversation piece, to be debated in conferences, on websites, and a source of livelihood for the often indigent authors peddling their favorite solution on paper. Instead of all coming together on one singular platform, **of taking the power of coining money away from private banksters gratuitously getting fat on usury**, they energetically bicker among themselves on what solution to replace it with!

--- **Challenge:** Why not come together on what's common ground? And instead of pitching one's own new-and-better "mouse-trap", create an unbiased monetary commission of monetary reformers and rebellious economists to look into all the proposals on the table, chartering them to come up with a recommendation, or series of recommendations or advocacies if you will, which in turn can be put on the ballot in each state for public adjudication? This is where perhaps all the conferencing, books, websites, speeches, television talk-shows, grass-roots activism to educate the public on the monetary commission's recommendations, can be made fertile pursuits rather than the present infertile conversations in conferences. That's how one builds up counter-power in a system where, as Hitler had aptly put it, ***"when the voting papers of the masses are the deciding factor; the decision lies in the hands of the numerically strongest group"***. One has to work the system – unless one is working on overthrowing it! The former sometimes entails [withholding the votes entirely](#) to show the system's illegitimacy when both political parties and its electees represent the same corrupt oligarchic ruling interests, and other times it entails gathering the votes to show the same. **That requires uniting on a common platform in order to gather enough votes!**

Response to American Monetary Institute's 2009 National Conference on Monetary Reform , [Chicago, September 24-27, 2009](#)

California, September 14, 2009

My principal problem with modern monetary reformers is that they typically act like prima-donnas telling the ignorant public what is the best solution for them. Each one thinks they have just descended from the mountain with the tablet. Unless the implementation issues wrestled with in "[Monetary Reform: Who will bell the cat?](#)" and "[The entrenched notion of Public Debt in America – will take a gestalt shift to overcome!](#)" are addressed head-on, just more pipe-dreaming words from the mighty reformers applying the think-system invented by the "Music Man". The following Huxley statement sums up my consternation with the present crop of monetary reformers completely:

"Well this is the real problem. Nothing is easier than to formulate high ideals, but few things are more difficult than to discover the means for by those ideals might be implemented, and the categorical imperatives which spring from them can be a pain. This is the real problem. I mean one has to dream, but one has to dream in a pragmatic way to consider how... Merely preaching to people doesn't have much effect, people have been preaching for an awfully long time and we are still pretty much where we were."

The respected Prophet-Reformer of mankind, Moses, too had a great plan for his flock three millennium ago –

“thou shall not kill” – but few have found the means to implement the glorious Ten Commandments even millennia later.

Watch below [Ron Paul*](#) candidly describe the unmatched legal power of the Federal Reserve and the American Elite way back in 1988 which makes even the mighty United States Congress powerless before them. [This was reaffirmed 20 years later in the 2008 Bailout Bill!](#)

Given the tortuous reality of the [“Monetary Conspiracy for world Government”](#) rapidly progressing towards fruition, **how** do the monetary reformers plan to counter it?

Do they think that the banksters and the elite will simply roll over and play dead so that a bunch of conscionable rebels can get their reforms passed in a [Legislature and Executive which is entirely controlled by the oligarchs?](#)

As was truthfully observed [once before](#): *'Ah – but what if the “criminals” were to write the laws and the statutes themselves? Then, the conniving and conspiring isn't legally defined as a crime, nor the “criminals” called criminals. In fact, most are called bankers (emperors previously), and their instruments today, foundations (fleets previously)! Isn't that just peachy?'*

What is the implementation plan, the **How**, to counter this entrenched legal power that gives the present monetary system its raison d'être – apart from “faith” and “hope” that is, that a “Jesus” will magically be found to throw the moneychangers out of the temple?

A rather straightforward challenge to monetary reform proponents.

Swine Flu Conclusion of 2010

Swine Flu: That Great Debate of 2009

Swine Flu: Fait Accompli

He had already said "It's fait accompli" --- vs. --- She consistently lied "It's voluntary"

The merit of the CASE IS IRRELEVANT because the mercenaries and vulgar propagandists' half truths always triumph over full lies!

The 'empire' plays to win strategically and can't be derailed by a handful of reactionary truth tellers after the manufactured crises have been affected – for had truth-telling any efficacy, Socrates might have been handed a trophy instead of the Hemlock, and Jesus the kingdom instead of the cross. The key to the success of Hegelian Dialectics over time, is the diabolical *Fait Accompli* sewn in baby-steps. The impact of the invasion of Iraq upon its peoples cannot be reversed by withdrawing the American troops anymore than the impact of the Pandemic can be reversed by arguing whether the vaccine is good or bad. The Pandemic has already created its intended *fait accompli* – for, 90% of the masses are not only ready today to take the vaccine but also demanding it. The secretive agenda probably is to inoculate at least 50% of the targeted populations in this generation, priming them for at least two things: microchipping, and staging for long term population reduction/culling through some complex biowarfare protocol. They will surely achieve 70 to 80 percent success towards that goal in this round of the pandemic pandemonium. And this is a conservative estimate. That's pretty damn remarkable social engineering for one baby-step *fait accompli*. More baby-steps to come. The overarching agenda for world-government and its multi-dimensional goals is long-term, across multiple generations, and hinges on irreversibility of small baby-steps to eventually raise the complete Phoenix of the New Atlantis from the systematically burnt ashes in stages of the old order. Under the guise of this Pandemic look how much has already been achieved: the immense loss of national sovereignty to WHO. Under its level-6 Pandemic alert, WHO now controls the emergency response stratagems in all nations that are signatory to its convention. That's most of the world!

As validation of what is stated above, just look at the long lines demanding the vaccine after the declaration of emergency by the President of United States

And the mass psychology driving the long lines is an [Edward Bernays](#) special. In [CFR shill's own very](#)

[perceptive words](#) of October 16, 2009:

“... Having said that, does it work to mandate [vaccination]? I think what would work better would be to say that there was a shortage and people tend to buy more of something that's in demand. (Laughter.) We saw that -- there was one season where, really, people lined up all night to get a flu shot.

... we thought we were going to need two doses for every adult and since we are – only one dose, so, actually, we have twice as many doses and enough for the whole population at this point, I understand.”

Watch the entire incestuously-reinforcing CFR disinfo session on [Pandemic Influenza](#) this past October 16, 2009:

No one from the learned audience in the above video asked the distinguished panel of experts carefully assembled by the CFR (whose bios, it was explicitly stated, is on the web and *“in your packets if you are here”*), that how did they suddenly learn that now the public needed only a single doze of inoculation, when just a few months ago it was being heavily promoted as requiring multiple dozes?

No one asked them that where did they get the new scientifically valid data (as opposed to anecdotal one) to change their expert recommendations so rapidly within the span of just a couple of months, when the vaccines for this new pathogen are themselves very new and haven't been around long enough to carry out controlled double-blind studies of their efficacy over the long term to know how many dozes are needed – since the damn virus itself is new and never seen before on planet earth?

And if the older vaccines are imagined by their manufacturers to be very broad-spectrum, as the President of the United States presumed when he ordered several billion dollars worth without testing on the actual new virus, then why did the officials not know how many doses will be needed just a few months ago? What new data was received in the span of just a few short months between the summer and fall?

And the most crucial aspect to this question, no one asked the distinguished panelists who spoke in all sorts of foreign accents, that if, by their own admission, this 2009 virus is *“novel”* and *“lacks certain signatures which other pandemic influenza viruses have ... which suggest that this virus is not a 1918 like virus ... or 1957 or 1968 virus”*, then they could not have possibly known of the older vaccines' efficacy on this new virus a priori any more than the newly patented vaccines, and therefore, when did they actually test the vaccines on the new virus and upon whom?

Because, practically speaking, how could they have tested the vaccines on the new virus (for any length of time) when they didn't even know, and surely now don't know, who actually has the virus and who doesn't since *“the CDC abruptly advised states to stop testing for H1N1 flu, and stopped counting individual cases”* way back in [late July 2009](#)?

So, where did the clinical testing data magically come from between the summer and fall, for the expert's statement: *“we thought we were going to need two doses for every adult and since we are – only one dose,”* – [except out of thin air](#) no differently than the missing WMDs in Iraq after the domain experts from that officialdom had [similarly asserted](#) that their “data” incontrovertibly indicated that these were there and about to be launched upon the United States unless the superpower invaded Iraq with the most absolute “shock and awe” immediately?

But the ubiquitous Dr. Nancy Snyderman of NBC says that *“this is one time there is no conspiracy, listen to*

our government agencies, these guys are telling the truth. You know there is no conspiracy here folks. Get your damn vaccine.” Should we [believe her](#) and dreadingly also await the inevitable ex post facto “[oops!](#)” for this new nemesis of mankind?

Obviously not one science person in the audience, and those supposedly calling in their questions on Twitter, knew how to add 2 + 2 to become skeptical of the panelists' techno-babble gibberish anymore than any mainstream scientists have been of the [official NIST report](#) on the how the WTC towers catastrophically collapsed into their own footprints due to a short fire. No one among the questioners straightforwardly suggested to the expert CFR panelists that as per their own admission (quoted above), the simplest convincing explanation appeared to be their own one made in jest, that they were indeed artificially manufacturing demand for the swine flu vaccines for their own agendas!

But that's not the end of straightforwardness if one was actually permitted and inclined to ask questions freely as a science person is imagined to be wont. It could have gone straight down hill from there if even one person present had any courage to boldly ask the obvious followup questions and pushed the envelope of the CFR assembled experts' credibility right to the edge. One could, for instance, have put the following biowarfare related burning questions residing on many a skeptic's mind to the CFR panelists and given them an opportunity to counter all the nay-sayers rationally with reproducible scientific evidence rather than disparagingly as was actually done (see below):

a) what role did the secret [bioweapons laboratories](#) and their mad scientists play in fabricating this *never before seen in nature* hybrid virus, as by their own admission its signature is different from all other past pandemic viruses;

b) could they prove that the new virus occurred entirely naturally and that bioweapons labs played no black-ops role in its synthesis and dissemination when it is only they who possessed all the samples from the previous pandemic viruses and could indeed have more easily fabricated the new pathogen to their desired level of deadly pathogenicity than the poor pigs relying only on their natural pig-pens – just like 911 is more straightforwardly explained as an *inside job*, a *coup d'etat*, than as the surprise attack of a disgruntled Ali Baba upon the most armed to the teeth superpower from his underground caves in the Hindu Kush;

c) that, there definitely appeared to be so much incredulity in common in the officially designated nemesis in both cases, Osama Bin Laden and the pigs, that the public insists on seeing some verifiable proof this time around before submitting to the officialdom's remedies and could they kindly provide that proof since their own glowing bios, though undoubtedly stellar, were not sufficient evidence;

d) how could the big-Pharma have filed so many patents for the vaccines before the existence of the new virus itself was known, and remarkably, also just in time to profit from the sudden appearance of the virus as a pandemic, with WHO, CDC, and all governmental agencies coercively pushing these vaccines as the only solution upon the global public while giving blanket immunity from liability to the big-Pharma whose

stock has gone soaring, and that why might not one conclude from all this that the pharmaceutical companies knew about the virus and its pandemic breakout schedule ahead of time and they are being given immunity from lawsuit because the vaccines are indeed dangerous and untested;

e) how could they make such [accurate predictions](#) of when the viral pandemic would burst on the world scene, even as a hypothetical case study, as for instance in the Air Force's April 1996 planning document ***“Alternate Futures for 2025”*** pg. 54 which stated: ***“in 2009, when an influenza pandemic struck”***, and in IBM's 2006 interdepartmental memo whose very first bullet item stated: ***“There is a 100% chance that a Pandemic will occur within the next 5 years”***;

f) that could they explain scientifically, how such predictions could be accurately made to come to pass by just the laws of chance on something as unpredictable as a mutating virus, without someone deliberately bringing it to fruition?

One could have further challenged the distinguished CFR panelists at this point by asking whether they were aware that the pandemic served CFR's own diabolical agenda of creating ***“an end run around national sovereignty, eroding it piece by piece [to] accomplish much more than the old-fashioned frontal assault”*** as was blatantly stated by CFR's Richard Gardner in the April 1974 Foreign Affairs article *Hard Road to World Order*, and that they, as stellar scientists, but perhaps un-learned in the ways of *Machiavellian social engineering*, were being played as mere pawns for creating justifications towards that globalists' agenda?

Obviously, not one person in that carefully screened audience had ever read anything other their own science and medical text books. But strangely, no one from the internet Tweeted in those kinds of questions either (sic!). Indeed, one erudite questioner in physical attendance, someone who identified himself as being affiliated with Cornell Medical School (the man pictured in the CFR video image above), even preemptively described any skeptical questioning by the ever growing coalition of bipartisan nay-sayers in the world, as a sort of ***“Hitler-Stalin Pact”*** in this disparaging way:

“I think we are all aware that the anti-vaccine movement is having a field day on the internet and on media outlets like Fox News and so on, and causing reductions in vaccine uptake. And it appears a pretty unholy alliance of the ultra-right and the ultra-left working together as the sort of Hitler-Stalin pact (laughter), and I am not sure that we are countering these people very well ... and you have to take these people on in a different style than the scientists are used to. ... Crazy people who think the vaccine will kill you! ... How best we can to stop the anti-vaccine movement?”

It is surely not beyond the wit of those ***“crazy people”*** left standing after all that propaganda and giving the CFR's *dog and pony show* only some minor indigestion from their over-exuded hubris, to imagine that the following riot preparations, ostensibly for the masses demanding vaccine and not getting it – again an [Edward Bernays Special Edition](#) – is in reality for the ***“Hitler-Stalin pact”*** malcontents unwilling to play ball and actually refusing it:

But Judge for Yourself if unconvinced that there is more to this pandemic story, and consequently, more to the bizarre impetus behind the *hook or by crook* vaccinating the world's populations under its '**booming, buzzing confusion**' than meets the eye. Or, if you'd rather skip to [The Conclusion](#), or jump to the [Preamble](#) to better grasp the overarching dynamics behind the swine flu first, do it now.

THE CONCLUSION

H1N1 Conclusion: Whether or not there is a real Swine Flu pandemic raging, whether or not it may be real biowarfare, or mainly psyops being waged upon the unsuspecting world's public in combination with other fabricated global threats, I am saying 'NO' to Swine Flu Vaccination. All this heavy-handed hullabaloo appears to me to be yet another “*war on terrorism*” to fabricate a global pretext for quite a different agenda from the publicized one. The real agenda this time around being to inoculate the world public with something inimical in the guise of fighting the pandemic. This is more than simply an attempt to sell vaccines of dubious efficacy for hefty corporate profiteering. It suspiciously appears to be the new “*imperial mobilization*” of the long wished for population reduction agenda, 'to “*prime*” populations worldwide'. The threat of the A/H1N1 virus killing some (or many) people may well be real even if manufactured, just like 911 – the “*new pearl harbor*” – was a real demonstration of fabricated threat by controlled demolition which killed many thousand people. But under these dubious 'sky is falling' conditions made to “*look like a great 'booming, buzzing confusion' to use William James' famous description of reality,*” the most rational and commonsensical course of action under conflicting claims of vaccine safety and efficacy backed by draconian 'police-state' policies to forcibly administer it: 1) take one's statistical chances with the “pandemic” rather than with its forced “cure”; 2) permit the human body's own natural defenses to fight the disease if infected, rather than be aided into oblivion by its purported helper, the vaccine! The Decapitation of Pakistan by its own Military!

[PHBF Report] Dateline Sept. 28 to Nov. 02, 2009, California, United States

Let me begin this very difficult exposition as a Pakistani citizen (my only citizenship, by choice, despite being a legal permanent resident in the United States for almost three decades) with the question *Who really killed Benazir Bhutto?* [1] I mean who are the prime-movers?

The trigger-pullers are obviously irrelevant and remain faceless. They will surely never be known.

Well, let's read it in Benazir Bhutto's own lucid words which have now been augmented, almost two years later, with the Pakistan's Army Chief of Staff's belated disclosures of September 21, 2009. [2] Why belated? Well, please see these unpublished letters to many Pakistani newspaper editors on their repeatedly perpetuating the fiction of *Who Killed Benazir Bhutto* in cahoots with the 'hectoring hegemons' and their agents! All traitors and co-opted errand boys. [3]

The American agenda for Pakistan is not a state-secret. Rather, it is only thinly disguised as perpetually fighting the "insurgents" in a lifetime of war, the World War IV. [4] Whereas, in reality, both the "insurgency", and the "counter-insurgency", are entirely designed and fabricated in the USA as part of the evolving tactics of Hegelian Dialectics. They are enacted on the ground by various two-bit errand boys and expert trigger pullers. The already well-known existence of black-ops assassination squads in Pakistan/Afghanistan, known to the local peoples for years as the real prime-movers behind the heinous local terrorist acts, belatedly confirmed by NYT, WP, and NYT, in August 2009. [5] See these two December 2008 reports on the Mumbai terrorist Act as reportedly orchestrated by **ALI BABA** from his perch in the Hindu Kush. [6] The arrival of the black-ops in the region is not recent, albeit the public disclosures might be.

Starting in the immediate aftermath of 911, and perhaps even earlier, Pakistan may well have become the largest deployment region for the CIA in modern times, both covert (unknown to Pakistani government and secretly working to destabilize Pakistan with false-flag operations), and overt (with Pakistani military's aiding and abetting, in full view of the world, ostensibly fighting the "insurgents", "Bin Laden", "Al-Qaaeda", but in the process mainly "tickling" its own innocent civilians in many a barbaric way). [7]

And since Jundallah got launched to destabilize Iran from Pakistani soil (their "insurgencies"), Baluchistan along with the Pak-Afghan regions have been awash with black-ops, and obviously of course, also with officially recognized US soldiers manning American military bases on Pakistani soil. [8] But these soldiers of freedom were rarely spotted in the streets of major cities before. The following video report of September 08, 2009, therefore portends of ominous whirlwinds imminently engulfing Pakistan: [9]

To put this ominous presence of soldiers of freedom and fortune on Pakistani soil in full black-ops context of NATO and the Western Alliance, of diabolically manufacturing and sustaining the very pretexts *out of uniform* to enable the *in-uniform forces* to continue on with their perpetual mission of fighting World War IV, it is sufficient to look at what is transpiring in IRAQ for lessons to wisely apply to one's own predicament in order to avoid a far worse one.

Fast forwarding past all the initial pretenses of Sadaam Husain being responsible for 911, his WMDs about to destroy America, the Mission Accomplished statement of President Bush, and the “oops! intelligence failure” statements by the neo-con's own Iraq Study Group after the raping of Mesopotamia and the DNA of its ancient and proud peoples were fait accompli, etceteras, the biggest reason for not withdrawing the US troops from Iraq is continually stated to be the infernal ongoing **INSURGENCY**. Iran, Shias, Sunnis, and Al-Qaeeda are variously blamed for the main cause of America's continued military occupation of Iraq; new “troop-surges” are periodically announced amidst some dissenting consternation willy-nilly expressed in its news media and by its politicians to let the American public know that it is not an easy choice to be making. The Iranian strawman has already been amply unraveled elsewhere. [10] However, witness the following familiar statement of former President George W. Bush on the legend of the new Ali Baba [11] of Mesopotamia, Abu Musab Al-Zarqawi: [12]

“You know, I hate to predict violence, but I just understand the nature of the killers. This guy, Zarqawi, an al Qaeda associate -- who was in Baghdad, by the way, prior to the removal of Saddam Hussein -- is still at large in Iraq. And as you might remember, part of his operational plan was to sow violence and discord amongst the various groups in Iraq by cold-blooded killing. And we need to help find Zarqawi so that the people of Iraq can have a more bright -- bright future.” -- George W. Bush, Press Conference, 1 June 2004

The indefatigable Michel Chossudovsky, citing Bush's afore-quoted statements wrote: *“Zarqawi constitutes Washington's justification for the continued military occupation of Iraq, not to mention the brutal siege of densely*

populated urban areas directed against 'Al Qaeda in Iraq' which is said to be led by Zarqawi." [13]

It is now November 02, 2009 – and the United States is still very much in Iraq. Its own economy is in deep recession, and the free-money printing by the Feds is taking it towards hyperinflation. The world is not only mired in its worst global financial crisis that is seeing the end of Western hegemony in its industrial production capabilities, but is also plagued by a global pandemic, global warming, and an un-ending global war on terror, sinking valuable trillions of dollars which could otherwise have been spent on converting overnight the entire world's six billion population into America's middle class status of the 1960s, while also wiping out much of the developing nations' unbearable debt. That alone would most assuredly have earned the United States the genuine love of the entire world instead of the present shoes thrown at its all powerful president. How remarkably has the world's sole superpower been brought down so pathetically to its knees by the Ali Baba of Iraq that today it cannot even extricate itself from giving a diabolical police-state to its own peoples in the pretext of saving them from the global terrorist! What sort of idiotic "American Primacy and Its Geostrategic Imperatives" agenda, and what kind of asinine quest for "Full Spectrum Dominance" is this? [14] Wow Ali Baba, what magical powers you have of not only so successfully entangling the United States in the Iraqi "quagmire" indefinitely, but of being the prime-mover behind the demise of nation-states to usher in the only permissible solution out of these multifaceted global threats – world government! [15]

Focussing on the pertinence at hand however, what does the Ali Baba of Iraq have to do with the following shocking news reports purveyed in titles which are illustrative enough of the key point: **"Were British Special Forces Soldiers Planting Bombs in Basra?"** September 25, 2005 ; **British "Undercover Soldiers" Caught driving Booby Trapped Car "They refused to say what their mission was."** September 20, 2005. [16]

Michel Chossudovsky, writing the latter article and displaying his un co-opted integrity, asked the 64-million dollar obvious questions – the same modus operandi being replayed in Pakistan with even more drastic effect, as now the black-ops have been hardened in Iraq on how not to get caught when plenty of patsies can be trivially harvested for the job of "legitimizing Insurgency" [17] – which none appear to be publicly asking in Pakistan:

'The following Reuters report raises some disturbing questions.

Why were undercover British "soldiers" wearing traditional Arab headscarves firing at Iraqi police?

The incident took place just prior to a major religious event in Basra.

The report suggests that the police thought the British soldiers looked "suspicious". What was the nature of their mission?

Occupation forces are supposed to be collaborating with Iraqi authorities. Why did British Forces have to storm the prison using tanks and armoured vehicles to liberate the British undercover agents?

"British forces used up to 10 tanks" supported by helicopters "to smash through the walls of the jail and free the two British servicemen."

Was there concern that the British "soldiers" who were being held by the Iraqi National Guard would be obliged to reveal the nature and objective of their undercover mission?

A report of Al Jazeera TV, which preceded the raid on the prison, suggests that the British

undercover soldiers were driving a booby trapped car loaded with ammunition. The Al Jazeera report (see below) also suggests that the riots directed against British military presence were motivated because the British undercover soldiers were planning to explode the booby trapped car in the centre of Basra: ...'

See: **Who is behind “Al Qaeda in Iraq”? Pentagon acknowledges fabricating a “Zarqawi Legend”**, in which the Washington Post of April 10, 2006, in its rare moment of candor – just like the New York Times' ex post facto exposé of April 20, 2008 on the Pentagon using retired Generals as mercenaries for hire to blatantly lie on American television in order to drum public support for the Iraq war [18] – is quoted in full context as follows: [19]

' "The Zarqawi campaign is discussed in several of the internal military documents. **"Villainize Zarqawi/leverage xenophobia response,"** one U.S. military briefing from 2004 stated. It listed **three methods: "Media operations," "Special Ops (626)"** (a reference to Task Force 626, an elite U.S. military unit assigned primarily to hunt in Iraq for senior officials in Hussein's government) and **"PSYOP,"** the U.S. military term for propaganda work..." (WP. 10 April 2006)

The military's propaganda program, according to the Washington Post, has "largely been aimed at Iraqis, but seems to have spilled over into the U.S. media. One briefing slide about U.S. "strategic communications" in Iraq, prepared for Army Gen. George W. Casey Jr., the top U.S. commander in Iraq, describes the "home audience" as one of six major targets of the American side of the war." (WP, op cit.)

An internal document produced by U.S. military headquarters in Iraq, states that "the Zarqawi PSYOP program is the most successful information campaign to date." '

With that precious lesson in *"imperial mobilization"* through sustained PSYOP and manufactured "insurgency" learnt from our brethren Muslim nation of Iraq – where, in retrospect, and in moments of reflection through their daily strife and humiliation, its beleaguered people must surely ponder upon what could they have possibly done earlier, before 1990, during the iron-reign of Sadaam Hussein, and throughout those horrible intervening 13 years of Western hegemonic sanctions, to have avoided this new dismal fate altogether – let's return to Pakistan.

The multimodal approaches to destabilizing, and consequently balkanizing Pakistan under the fabled pretext of its own illusive Ali Baba, "Osama Bin Laden", have been so transparent, that today, finally, many a retired con-fession artist are getting in on the act to claim the flag of patriotism. [20] **Going for hajj after having eaten 900 mice is the favorite pastime of Pakistani praetorian guards.** I am only waiting for any sitting Pakistani General to rise to that occasion, if it's not already too late! [21] But I am afraid it probably is – see here, here, here, here, and here. [22]

The decapitation of Pakistan by Pakistan's finest, wantonly justifying the inglorious 'white man's burden' – the same old 'la mission civilisatrice' under a new name – upon impoverished indigenous shoulders! [23] Even Martin Luther Kings' penetrating description fails to do justice to the scale of calamity in Pakistan: [24]

"The white establishment is skilled in flattering and cultivating emerging leaders. It presses its own image on them and finally, from imitation of manners, dress, and style of living, a deeper

strain of corruption develops. This kind of Negro leader acquires the white man's contempt for the ordinary Negro. He is often more at home with the middle-class white than he is among his own people. His language changes, his location changes, his income changes, and ultimately he changes from the representative of the Negro to the white man into the white man's representative to the Negro.”

The shameful and criminal dislocation of up to 2.4 million civilians in May of this year was rightly described as “an exodus that is beyond biblical”. [25]

Just as from the USSR's point of view in yesteryear, the “insurgency” against them in Afghanistan was foreign inculcated, entirely fabricated in the USA (as we know today but held as a closely guarded secret then), which thus forced the Soviets to apply counter-insurgency measures, and subsequently, an outright invasion of Afghanistan (read Brzezinski's own statements in Saving Pakistan, and watch Brzezinski speak in this video clip devilishly crafting the “insurgency” for the Russians on the Pak-Afghan border); the so called “insurgency” in Pakistan is also calculatingly fabricated, ab initio, in the **USA** through covert intervention and black-ops. [26] Subsequently, with sufficient “tickling” during the overt counter-insurgency operations, and by astutely harvesting all the cultural cracks and lacunae of the people, the “insurgency” acquires a reactionary life of its own. [27]

That latter stage, as well as on-going black-ops induced wanton acts of terrorism using the pre-“tickled” dupes and patsies as now rapidly transpiring, October 9-12, 2009, NYT, NYT – like the secret and 'officially denied' component of NATO's Operation Gladio in Western Europe of yesteryear which blamed it on the communists to keep an increasingly skeptical public's fear of the then boogiemán du jour continually alive – are Machiavellianly projected in the news media, by the native informants, by the fabricated dissent-chiefs, and the Mighty Wurlitzer, as **INSURGENCY**. [28] And therefore, it is officially argued, an unarguable *raison d'être* for continuing the barbaric counter-insurgency to implement the writ of the state. This predictably creates a self-sustaining destabilization as

both commonsense and political science 101 would inform even an imbecile. The blood-drenched puppetshow so enacted, inevitably affords a compelling pretext to the puppetmasters to justify their own military intervention to “save” the people who are incapable of doing it themselves.

The innocent Pakistan military, not too well-versed in political science or Hegelian Dialectics based Machiavellian state-craft (I presume), in this prelude to NATO forces marching in, is similarly being compelled to take real counter-insurgency measures like the Soviets. Aided and abetted of course by high ranking traitors from within their own ranks, and by their foreign paymasters' militaries (NATO, Blackwater now renamed Xe, and other un-named foreign divisions operating within Pakistan which I call “Jundallah-plusplus” to distinguish them from “Jundallah” which is apparently targeting Iran from Pakistani soil). The simple fact that Pakistan is supplying all the drinking water (bottled by Nestle), and full logistics channel for war-making supplies to NATO in Afghanistan is telling in and of itself. Pakistan is equally responsible for destroying the Afghan society, the Afghan people, and there is no less spilled-blood of innocent Afghani Muslims upon Pakistan's hands over the past 30 years, than upon the United States'.

Pakistani military helped destroy Afghanistan, and they are now helping to destroy Pakistan. No Pakistani civilian I know, including myself, ever authorized the Pakistani military to destroy Afghanistan, or aid the United States in its own hegemonic plans on the Grand Chessboard. Do you know anyone? So from where did they get their mandate? I would rather have clean drinking water in my tap, damn it! What good are the bloody nukes when they become the *raison d'être* for our very destruction in this manner without ever firing a single missile at the drones that are killing our own peoples?

It gives me no pleasure to repeatedly rehearse this footnote to history. What is not already obvious to the Pakistanis? It must surely still occur to many a reasonable military man serving with genuine zeal and honor in the real pivot of power in Pakistan that the end is drawing near. What are they doing idly watching the battle of their lives from the sidelines – when they are not shooting or displacing their own peoples that is? As quoted from a Dawn newspaper column:

“THIS article poses two questions: on the day after US/Nato forces invade and occupy some of Balochistan and Waziristan, what will we say we should have done, and why aren't we doing it now? Is this far-fetched? ... One hopes that a small group of patriotic officers in Pakistan are also asking themselves what can be done, and why aren't we doing it now.” [29]

Gentlemen may cry, Peace, Peace--but there is no peace. The war is actually begun! The next gale that sweeps from the north will bring to our ears the clash of resounding arms! And that's the tortuous déjà vu reality today. [30]

If one is genuinely confused about who is the enemy, whether it's the Taliban, Al-Qaeeda, Islamism, Militant Islam, unknown foreign fighters, foreign intelligence agencies, India, Israel, American interests, or the United States' globalist oligarchs hell bent on criminally realizing their one-world government agenda by fabricating and harvesting “*revolutionary times*” across the planet, [31] please spend some time reviewing the book **The Pakistan Decapitation Papers** available from Project Humanbeingsfirst.org [32] Write to me if you are still uncertain about who is behind “tickling” the so called “insurgents” into existence, and why that is necessary in order to fight the

lifetime of World War IV with our blood. After all, “**God is on your side!**” [33]

[Footnotes Here](#)

Author's Note Nov. 02, 2009: Pakistanis, apparently, simply cannot perceive that “insurgency” is manufactured – judging by the asinine questions they asked the Secretary of State Hillary Clinton during her visit to Pakistan last week. Every one of them was simplistic and devoid of any appreciation for the political science behind “**imperial mobilization**”. Ignoring the mercenaries, traitors, and vulgar propagandists at work in Pakistan, many well-meaning Pakistanis are entirely confused. Therefore, this revision draws upon some stark lessons learnt from Iraq to further substantiate the original report. They have affiliates in many countries, to try to expand their reach. These are not opinions to be debated. These are facts to be dealt with."

'Public Assumptions' Shape Views of History: *"Such presumptions are beliefs (1) thought to be true (although not necessarily known to be true with certainty), and (2) shared in common within the relevant political community. The sources for such presumptions are both personal (from direct experience) and vicarious (from books, movies, and myths)."*

A video of initiation of explosive destruction is [here](#) for WTC 1 (North Tower) and [here](#) for WTC 2 (South Tower).

And [here](#) for the sudden free-fall symmetrical collapse of WTC 7 that same day at which Dan Rather of CBS spontaneously exclaimed on air: **"... amazing, incredible, pick your word. For the third time today, it's reminiscent of those pictures we have all seen too much on television before when a building was deliberately destroyed by well-placed dynamite to knock it down,"** and which the [BBC](#), in surely what must be the most surreal moment in live news reporting history, announced many minutes before it even happened!

And [here](#) is a flashback of the smoke-and-mirrors "prior-knowledge" dialectical red herring in greater exposition of the 'technique of infamy':

And lastly, [here](#) is an April 2008 snapshot of FBI's most wanted poster of Osama Bin Laden. Despite the familiar face being indelibly etched on America's imagination as the mastermind of 911, seven years into the world transforming event, FBI still did not seem to think that [the man on the dialysis machine hiding in a cave in the Hindu Kush](#) perpetrated the “new Pearl Harbor”.

“These are not opinions to be debated. These are facts to be dealt with.”!!

Indeed Mr. President of the United States of America, had these facts not already irreversibly seeded the pre-planned, premeditated [fait accompli](#) for “[Our Global Neighborhood](#)” ([online](#)) ([cached pdf](#)) in [one-world government](#) in the perfect mold of Hegelian Dialectics! The globalists' phoenix of the un-publicly sanctioned [World Order](#) to be raised from the ashes of the criminally decimated old world order of sovereign nation-states, is the real fact to be dealt with. So debates on 911 make great red herrings – I would quite agree with you there Mr. President.

This preliminary [status report](#) and the Council on Foreign Relations' [Global Governance Monitor](#) make that irrefutably clear, as does the United States Secretary of State, Hillary Clinton, while speaking at the CFR in [July 2009](#), and so does the Council's current President [Richard N. Haas](#). And these are merely the echoes of implementation reverberations in a successor generation, of the CFR's Richard N. Gardner's [April 1974 words in Foreign Affairs](#) which blatantly stated: ***“house of world order' [is to] be built from the bottom up, rather than from the top down, [to make it] look like a great 'booming, buzzing confusion', [in order to force] an end run around national sovereignty, eroding it piece by piece [to] accomplish much more than the old-fashioned frontal assault.”*** The latter was itself merely a re-echo of the banker-founder of CFR and principal architect of the Federal Reserve System, Paul Warburg's aspirations as menacingly echoed by his son, James Warburg, [in 1950 to the US Senate](#): ***“We shall have World Government, whether or not we like it. The only question is whether World Government will be achieved by conquest or consent.”*** And were those elitist words, perceptively uttered more than half-century ago in the hallowed halls of governance of a majestic

superpower to its elected officials presumably representing the WILL of its peoples, themselves very original? [How far back](#) does it go? And here is a [who's who of CFR](#) (dated, circa President Clinton era). How many do you think have repeatedly echoed that same agenda without being overly secretive about it? If one believes the banksters' own prolific and legendary historian [Professor Carroll Quigley](#) – who was also [President Bill Clinton's mentor](#) at Georgetown University's prestigious School of Foreign Service – it is a long running very-deep open conspiracy. Here is the ['Cliff Notes' version](#). How many, one surely wonders, among all those elite across multiple generations, sought the mandate from the people, minimally of the United States – the beacon of Democracy – if not the rest of the 'untermenschen' world, for that private global agenda instead of diabolically sowing **“an end run around national sovereignty, eroding it piece by piece”** in baby-step faits accomplis?

And that **“end run around national sovereignty”** agenda, once all the syntactic sugaring is wiped away from fancy words like “Global Governance”, is nothing but a centrally planned, centrally managed, and centrally controlled neo-liberal global earth-super-state. In other words, the dream of Karl Marx: world communism! And the uber capitalists are its key harbingers!

They did it so simply too: Free Trade! Possibly the best Trojan Horse since time immemorial! All empires have been built on the mantra of free trade since antiquity. The only difference from the former USSR in its new dispensation of empire being that the new ruling oligarchy is the fraternity of capitalist International banksters coming together in a new world central bank, instead of in the old fashioned Politburo. In order to maintain facades, and for efficacy of management, each local “state” may continue to fly their own patriotic flag, and continue to administer their people within their own jurisdiction as in the Roman to Ottoman empires, but that's all they will do. See this scribe's Editorial of November 24, 2007 [The Re-Gathering Storm](#). And Richard N. Haas in [“Sovereignty and Globalization”](#) effectively said the same thing **“The goal should be to redefine sovereignty for the era of globalisation, to find a balance between a world of fully sovereign states and an international system of either world government or anarchy.”** That's the balance – separate flags. But one global currency, one global law, one global military force, one global central bank, one global monetary system, one global production planning via the architecture of carbon-credits, etc. There is plenty of evidence all around as documented by Project Humanbeingsfirst in its [Monthly Financial and State Terrorism Reports](#), but only if one wishes to see it. See for instance the Letter to Editor: [“Understanding the Political Science behind Global Warming”](#), February 07, 2009, by this scribe which looks at how carbon credit is intended to be used for both global production planning, as well as the more ominous global population planning and reduction. The column in Russia's Pravda [“American capitalism gone with a whimper”](#) by Stanislav Mishin is quite revealing too in its mocking of America for its rapid embrace of Marxist socialism and the blatant idiocy of the American goy: **“The proud American will go down into his slavery with out a fight, beating his chest and proclaiming to the world, how free he really is.”** And so is this old video interview of KGB defector [Yuri Bezmenov](#) by G. Edward Griffin. Listen to Bezmenov's very last sentence in response to the interviewer's question of what can be done: **“force United States Government to stop aiding communism.”** That is virtually identical disclosure to the statements made by the US Congressional Investigator Norman Dodd to G. Edward Griffin, excerpted below in some detail. As noted in the [Editorial of October 19, 2009](#) by this scribe, the greatest and longest-running enemy of humankind is not in some far away corner of the world, but right here at home.

To realize that long standing global plan, or [conspiracy to be more precise](#), these un-elected private financiers still are, just as they have been all along, setting the tactical and strategic agendas for the 'errand boys' in the White House as even candidly affirmed by the latest generation to do so, Ms. Hillary Clinton, in the video below. Listen carefully to Richard Haas' words as he introduces Hillary Clinton and strip them down to their real essence. The Nobel Peace Prize Committee too has unequivocally acknowledged this masterfully executed fait accompli of World Order by gratuitously granting President Obama the coveted "[Peace Maker](#)" moniker. This [Public Relations](#) design calculatingly helps reinforce the public myths of a 'savior' in exactly the same way as many a [superlative marketing campaign](#) synthesized the 'change' myth in order to [rally the masses](#) and their [shepherds](#) – with or without illusions – behind the [new face](#).

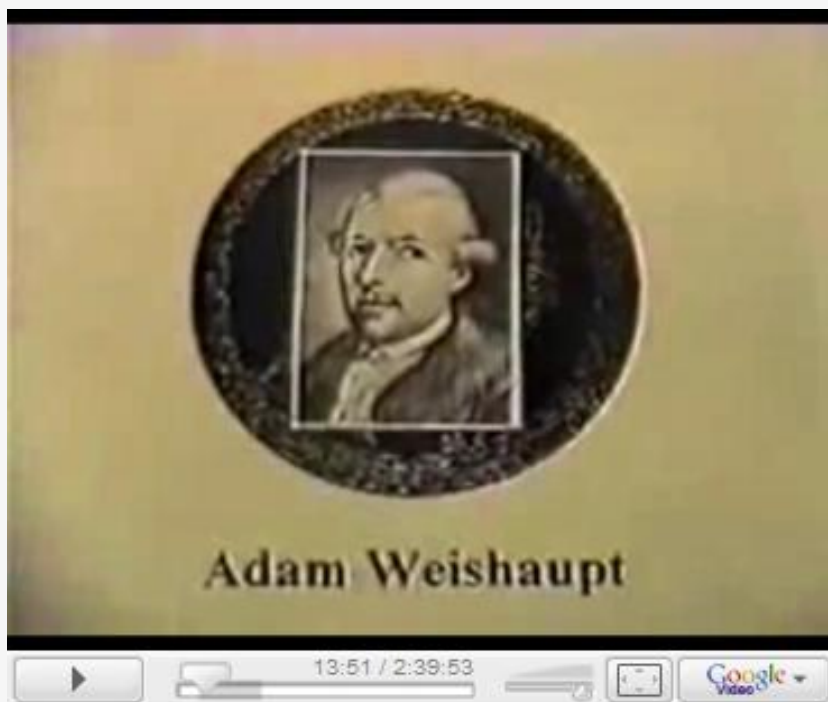

The unfathomable power of Political Science – which remains un-divorced from the Biblical Cain since time immemorial – the waging of relentless war by way of deception upon the public mind, the Hegelian Dialectics, the technique of infamy, the "end run around", the "eroding it piece by piece" instead of the "old-fashioned frontal assault", trumping all others. Watch how it's done:

“... the son of David, who purified Jerusalem from the nations that trampled her down. Destroy the lawless nations and gather a holy people whom you will lead in righteousness.” “... the dream to control the entire world under one ruler by disarming the nations of the world. ... It was a plan to divide and conquer the nations of the world, by provoking wars, then profiting from war loans, and from the sale of weapons to both sides. Exhausted by war, terror, and chaos, humanity would eventually bow down to one world ruler, and one world army as a solution! ... It was a plan to control public opinion by purchasing the controlling shares in tv networks, newspapers, publishing houses, and film studios.”

And the [Pakistani Negroes](#) dutifully play their [master's tune](#)

' "In the summer of 2005, the commission of the European parliament for security and defense, of which I am a member, was invited to a special screening created by the Washington Center for Strategic [and International] Studies"(Slide: **CSIS Debating 21st Century Nuclear Issues, Edited by Owen C. W. Price and Jenifer Mackby, subtitled Black-Dawn: Scenario-Based Exercise, dated: May 3 2004**)"We were asked to watch a film which depicted what would happen in Europe, if Brussels was hit by a nuclear bomb."Fifty thousand deaths, hundred thousand injured. The reactions of various European governments.""**Suddenly, footage of Osama Bin Laden claiming responsibility for a nuclear attack on NATO headquarters comes on screen.**"All members of the parliament, myself included, were rendered speechless.""**American experts from the Center for Strategic Studies, were on hand to explain the action on the screen.**"Then a parliamentarian finally said: **Today we were shown a convincing demonstration of how Osama Bin Laden's image can be completely manipulated. All the Osama's we have seen over the years, may never have existed. Just as a nuclear attack on NATO Headquarters in Brussels has never taken place.**" '

Un-surprisingly, Dr. Zbigniew Brzezinski, the man behind [President Obama](#), the architect of 'the Grand Chessboard' and the Executive Director of the [Trilateral Commission](#), the one who gave to the "USSR its Vietnam War" by [manufacturing Osama Bin Laden](#), is also the Counselor and Trustee of [CSIS](#) (cached [here](#)).

The [real unhidden agenda](#) behind all this perpetual war-mongering is actually rather banal, as outlined in the "Report From Iron Mountain: On the Possibility and Desirability of Peace" published in 1967 (a [fictionalized rendering of oligarchic modus operandi](#), not unlike [Philip Dru: Administrator - A Story of Tomorrow](#), or the [amoral political science](#) buried in [The Protocols](#) and [Machiavelli](#)). Its seedlings were discovered in the 1908-09 minute books of the Carnegie Endowment for Peace in 1953-54 by the indefatigable Congressional Investigator [Norman Dodd](#) for the Reece Committee investigating the suspected subversion by tax-exempt foundations. Norman Dodd rehearsed the occurrence of the following question from the minute books:

'We are now at the year 1908, which was the year that the Carnegie Foundation began operations. In that year, the trustees, meeting for the first time, raised a specific question, which they discussed throughout the balance of the year in a very learned fashion. The question is: ***“Is there any means known more effective than war, assuming you wish to alter the life of an entire people?”*** And they conclude that no more effective means than war to that end is known to humanity. So then, in 1909, they raised the second question and discussed it, namely: ***“How do we involve the United States in a war?”*** Well, I doubt at that time if there was any subject more removed from the thinking of most of the people of this country than its involvement in a war. There were intermittent shows in the Balkans, but I doubt very much if many people even knew where the Balkans were. Then, finally, they answered that question as follows: ***“We must control the State Department.”*** That very naturally raises the question of how do we do that? And they answer it by saying: ***“We must take over and control the diplomatic machinery of this country.”*** And, finally, they resolve to aim at that as an objective. Then time passes, and we are eventually in a war, which would be World War I. At that time they record on their minutes a shocking report in which they dispatched to President Wilson a telegram, cautioning him to see that the war does not end too quickly.'

Mr. Norman Dodd further related of a conversation he had with the President of the tax-exempt Ford Foundation in 1954, as part of his Congressionally mandated investigation of tax-exempt foundations:

NORMON DODD: “Mr. Dodd, we've asked you to come up here today because we thought that possibly, off the record, you would tell us why the Congress is interested in the activities of the foundations such as ourselves.” Before I could think of how I would reply to that statement, Mr. Gaither then went on and said: ***“Mr. Dodd, all of us who have a hand in the making of policies here have had experience operating under directives, the substance of which is that we shall use our grant-making power so to alter life in the United States that it can be comfortably merged with the Soviet Union.”*** ED GRIFFIN: Why do the foundations generously support Communist causes in the United States? NORMAN DODD: ***Well, because to them, Communism represents a means of developing what we call a monopoly, that is, an organization of, say, a large-scale industry into an administerable unit.*** ED GRIFFIN: Do they think that they will be the ones to benefit? NORMAN DODD: They will be the beneficiaries of it, yes.

The political science behind these apparently phantasmic disclosures is neither fantasy nor fiction. The prime-

axiom of the necessity for warfare to keep order in society (as well as to orchestrate change because “*what is inconceivable in normal times is possible in revolutionary times*”), was even palpably argued by philosopher Bertrand Russell in “[Impact of Science on Society](#)”. In fact, Bertrand Russell sarcastically lamented that the desired goal of the elimination of nation-states to create one-world government would also eliminate a primal *cause célèbre* for jingoistic patriotism, i.e., nationalism, which has hitherto trivially enabled 'United We Stand' and therefore, the prophetic scholar plausibly argued, “**World government could only be kept in being by force.**”

The same foundational [principles of conquest](#) are operational today as further demonstrated by Zbigniew Brzezinski in '[the Grand Chessboard](#)' where he equally amorally argued the rationale for “**American Primacy and Its Geostrategic Imperatives**” with the apparent truism “**Hegemony is as old as mankind.**” Of which of course, he is also the policy planner. The only difference today is that the ecclesiastical controls by the oligarchy of the yore (who could straightforwardly count on god and the spirit of '*la mission civilisatrice*'), have been substituted with far more sophisticated mind control by the oligarchy of modernity, to continue shepherding the masses 'United We Stand'.

All of which leads us to the Anatomy of Modern Lies – **the Hegelian Dialectics of Deception** – the Technique of Infamy being employed by both the masters and their Negro slaves:

- **Invent not one, but two (or more) opposing lies, and keep the unsuspecting people busy debating which of them is true.** (The 'Technique of Infamy', exposition attributed to Ezra Pound)
- **From the clash of opposite constructions, a greater whole is germinated towards the desired outcome** (The Hegelian Dialectics)
- **When the opposites don't exist or don't clash naturally, it is fabricated and the clash engineered, entirely stage-managed on both sides to piece-meal synthesize the desired hidden agenda – raising a new phoenix from the ashes left behind by the controlled clash of the opposites** (The Hegelian Dialectics of Deception applied to modern statecraft, familiar to most as fake-competition to reel in customers, or fake-managed-fights as in WWF wrestling benefiting its owners regardless of who wins or loses)

The public relations of the stage-management of this manufactured conflict on a global scale to make it appear genuine and inevitable like World War I, World War II, World War III, and now World War IV – all unnatural and synthesized orchestrations leaving behind only wreckages of civilizations, and thus the opportunity of systematically and incrementally upbuilding the desired one – falls to the [Mighty Wurlitzer](#). Its job is to keep people's attention distracted on the deadly puppetshows and dazzling imagery in the left-field while the even more monstrous agendas are accomplished in the right-field. All one has to do to catch sight of the real game, is to slightly turn one's head! [A blunder which Benazir Bhutto made of not looking 'tous-azimuth' when she was fully capable of such a modest movement](#) (see [The Nation, May 18, 2009](#)).

A gentle turning of the head like this courageous Young Turk is attempting to do – but inevitably also being held

back by the same invisible-power to only acutely naming "[the shadows of the images](#)":

The slight turning of the head that is so cleverly straight-jacketed by the psy-ops of the Mighty Wurlitzer as '[conspiracy theories](#)' and '[manufactured dissent](#)'.

That modest head-turning, '[tous azimuth](#)', is the sole purpose of [Project Humanbeingsfirst](#). The reality of President Obama's real game being played out in the right-field is [here](#). The reality of Pakistan's democracy in the right-field, which [Mr. Hamid Mir of Geo TV](#) forgot to narrate in his otherwise exuberant descriptions of "[Ali Baba](#)" in the left-field before his spellbound American audience at the Commonwealth Club of California, is [here](#). The best short summary of understanding the overarching hidden agenda for which all the 'Hegelian Dialectics of Deception' have been fabricated, is this [Response to Financial Times Gideon Rachman's 'And now for a world government'](#).

Epilogue:

"[What is not already obvious here](#)" – except of course to the glorified 'goatherders' of modernity repeatedly being made either a fool or co-opted to service the globalists' agenda? Yes with fancy degrees, 'English speaking', high-IQ, and all! So if plebeians can't think – are they any better than goats being herded on a preserve? Except for the handful of vegans among us, does anyone ever feel remorse when slaughtering a sheep or goat as a utility?

Those unable to think are no more than goats before the ruling-elite, to be entirely managed as a utility by their hand-picked goatherders. A trained sheepdog is all it takes to herd millions to their pre-ordained destiny. Today, that sheepdog is merely black in its exterior color – but has the same white teeth.

After years of activism and education since 911, initially having taken up the two-humble feet in protest marches before the invasion of Iraq in 2003, and upon its failure to stop the war, the supposedly mighty pen beginning with

'[Prisoners of the Cave](#)' against the amoral butchers of modernity who perceive themselves as being 'beyond good and evil', Project Humanbeingsfirst is ending its silly mission. For, attempting to educate the goats of the butchers' intent was eminently an idiotic idea to begin with. The last straw has been Pakistan. It's own people, its military, its rulers, cheerleading their own destruction against a superbly orchestrated phantom menace which apparently requires extraordinary thinking-skills to comprehend. A talent we the goats of humanity evidently haven't been endowed with in our DNA-makeup to the right measure as compared to the Overlords who rule upon us.

For the 'ubermenschen' of modernity, as of antiquity, [might is right](#) is the only sacred reality. The hectoring hegemony respect only power, and are perniciously circumspect only of balance of power which they themselves euphemistically call the '[balance of terror](#)', akin to '[two scorpions in a bottle](#)'. Their sophisticated thinking entails only exigencies of conquest and invoking primacy by any means. End justifies all means for them. They remain imbued with the existential reality in which they are formed and sip from, of '*hegemony is as old as mankind*'. If there is a creator of the Cro-Magnon, that architect is surely a most cruel inventor, that its '[best of creation](#)', the 'inheritors of the earth', amply endowed with pious literature preaching not to sip from the devil's cup, predictably turned out to be mindless goats and mercenary goatherders focused mainly on chewing their processed feeds, and entirely fashioned to serve their 'ubermensch' masters. These inhuman Overlords, blessed both with power and the amoral ambition to wield it, connivingly endeavor to OWN both the goats and the goatherders in every NWO since time immemorial. And indeed, apparently, always succeed. Perhaps the god's favored ones are a different species altogether. Goats are no more a match for them than minnows realistically are for sharks. The much touted dissenting pen of democracy, without concomitant power structures propping it, least of all.

[Caveat Emptor:](#)

Unless one has principally come to this tutorial with a keen desire to learn, rather than with an a priori agenda to refute, one has simply wasted one's time. After going through this tutorial, unless one has acquired some appreciation for concepts like: what does collateral damage to language, and consequently to thought, look like; how can words be Machiavellianly re-semanticized for the public mind; how public myths are constructed, and subsequently harvested; and most importantly, how one can be made to love one's own servitude to the extent of even apologizing for it like the 'Good German', one could not have possibly understood a thing that is being taught here and thus again wasted one's time. In order to benefit oneself, do read [Modernity Simplified](#). Be skeptical; be not among the "***crowd of the simpletons and the credulous***", nor become the "Second" type in Hitler's classification of people, and nor remain the "First"; but emerge as the "Third". See Mein Kampf vol. 1, chapter X, or read its excerpt in the preamble pages 2-3 [here](#). That skepticism is expected even during this tutorial.

[Caveat Lector:](#)

Because we have used these sources, it does not mean we accept all details of information in them. It also does not mean that we either endorse them when we are in agreement, or censure them when we are not. As G. Edward Griffin says: "*If we took information only from sources with which we agreed on all issues, we would be left with merely quoting ourselves, and we would miss a great deal of truth.*"

WHAT WENT WRONG - The Clash Between Morality and Modernity in America

[WHY has it come to this?](#)

- “Nothing is more certain in modern society than the principle that there are no absolutes, that a name, a phrases, a standard has meaning only when associated with the considerations which give birth to nomenclature. To those who would paralyze our Government in the face of impending threat by encasing it in a semantic strait-jacket, we must reply that all concepts are relative.” -- [Justice Vinson, U.S. Supreme Court, 1951 AD](#)

Or is it perhaps more accurate to expand that to:

[WHAT WENT WRONG: The Clash Between Morality and Modernity in the WEST](#)

(That aforementioned link points to something entirely different – a heart-wrenching story)

It's my [next book title](#) with a foreword of course penned by none other than [Bernard Lewis](#)...

And it probably has something to do with [this](#):

What's the [connection](#)?

Read my [next book](#) to learn of the [Kings' legal gift to Banksters](#) over the centuries, and the [Banksters' Gift to Humanity](#) in turn, from which “[all the evil that follows](#)” has made the tragedy of the orchestrated decline of the Western Civilization at least as grotesque as that of the natural one of the Muslims in the Middle East.

Today, both share a [common enemy](#) which actively prevents genuine indigenous development and reformation away from servitude to the [same masters](#) leaving [no exit](#).

By astutely joining forces, strategically and tactically, and by focussing with laser-sharp precision on that one prime-mover common global enemy of mankind without getting lost in the million red herrings thrown in the path by their errand boys, the clash between morality and modernity can surely be mitigated both in the West, and in the East. And ultimately eliminated.

Modernity Simplified

What is all this verbiage by Project Humanbeingsfirst™ really all about? Is there a reductionist and simplified explanation in terms of first principles for all this complexity of modernity that gives birth to such urgent matters of human concern in the first place?

Yes. In the simplest terms: 'Might defines right' leads to ***“Hegemony is as old as mankind”***, which in turn leads to ***“If we don't have real enemies then we have to create or imagine some and yell 'we are being attacked' in order to a) justify one's hegemonic barbarianism upon others; and b) motivate an unwilling plebeian peoples into sacrificing for the conquests of the oligarchic elite. Euphemistically: “imperial mobilization”. Grotesquely: “quest for Lebensraum”.***

That's all there is to it. This *“quest for Lebensraum”* of the oligarchs just happens to be the age-old quest for one-world government, to be achieved piece-meal, one fait accompli at a time, one fabricated crisis at a time. The solution presented for addressing each manufactured crisis becomes the next baby-step towards centralized global control of all humanity in a global empire of the oligarchs.

The term 'oligarchic elite' refers to people who are several notches above – and more hidden from public view in their enormous wealth and their secretive exercise of 'social engineering' – than what is typically understood by the term 'ruling elite', or simply the 'elite'. The latter often refers to the generally affluent 1% of any society, more interested in being rich and running corporations than in 'social engineering', and many among them can be found in the Forbes' richest people listing. But one will never see a Rothschild, or David Rockefeller listed in Forbes billionaires list. That's perhaps because they are trillionaires, with all their massive wealth legally hidden behind private tax-exempt foundations, and in their opaque ownership of private banks, which in turn own many a private central bank! They can muster vast sums of private monies for 'social engineering', and administer untold funds through their tax-exempt foundations and think-tanks. They are the proverbial 'king makers' who craft 'errand boys' to do their policy bidding.

A minimalist expansion of some of these fundamentals to explain modernity in the present context is [here](#). A more detailed expansion is [here](#).

To unmask them all is Project Humanbeingsfirst's imperative!

Only our progeny might bear truthful witness to the sham of intellectualism of their hypocritical ancestors – scholars, leaders, military-men, politicians, news-bearers, both in the West and the East, on the left and the right – who hath proclaimed to stand for anything, but who only aided and abetted the oligarchs with their convolutions.

The modernity du jour is entirely unwilling to unravel their confusing and deceptive narratives. We must wait a 100 years, or perhaps 20, before anyone who is a somebody will truthfully proclaim how new 'smallpox laden blankets' were used to fashion world government.

This is why, as had been predicted by the Council on Foreign Relations in 1974:

"... it will look like a great 'booming, buzzing confusion' to use William James' famous description of reality, but an end run around national sovereignty, eroding it piece by piece will accomplish much more than the old-fashioned frontal assault."

That is Modernity Simplified to the level of a 'poor-man' (i.e., one with limited ability or time to read, write, and reason).

Caveat Emptor

Please be advised that **Project Humanbeingsfirst™** fully cooperates with all law enforcement and other governmental agencies worldwide in rooting out Terrorism in all its nuanced shades and stripes in order to end its Neanderthal reign of terror upon all who are human beings first. **Project Humanbeingsfirst does not distinguish between terrorists clad in turbans and those wearing suits, nor between the predatory rampages of the pirates vs. the emperors**, albeit each is apportioned the measure of crime and guilt commensurate to their respective station of power and impact on their victims. Law enforcement personnel worldwide, but especially in the United States and the West, are encouraged to participate with Project Humanbeingsfirst. It is essential for all nations' state security apparatus to learn how to forensically identify the monumental supreme terrorists hiding in plain sight among us under legal cover, **the real merchants of death**, while they dutifully chase down the easy to spot handful of often deliberately manufactured pirates at sea.
